

Buyer Added Bid Specific ATC

Following terms and Condition:-

MATERIAL QUANTITY							
Name of Work - Repair & Upgradation of GO's Mess at GC CRPF Guwahati							
Sl. No	ITEM NAME	QTY	UNIT	Brand Name	Specification	Material Test Certificate	With instlallation
Miscellaneous Item							
1	Cement (OPC)	762.00	50Kg/Bag	ACC, Ambuja, Shree Cement	Scope of Work – OPC Cement (Sample with Material Test Report/Certificate) 1) Supply of Ordinary Portland Cement (OPC) of approved make, grade (43/53) and conforming to IS:8112 / IS:12269 standards. 2) Cement shall be fresh, dry, free from lumps, moisture, or foreign materials, and packed in factory-sealed bags. 3) Packing, loading, transportation, and safe delivery at site/store. 4) Bidder shall provide sample with material test certificate at the time of pre-bid meeting for sample approval . 5) Acceptance subject to inspection, verification of test certificates, and approval by Engineer-in-Charge.	Yes	

2	River Sand (Coarse)	154160.00	Kg	---	Scope of Work – River Sand (Sample with Material Test Report/Certificate) 1) Supply of natural river sand (Golden / coarse / fine) of approved quality and grading, conforming to IS Standard. 2) Sand shall be clean, free from silt, clay, dust, organic matter, and any foreign materials, and suitable for masonry, plastering, and concrete works. 3)Packing, loading, transportation, and safe delivery at site/store. 4) Bidder shall provide sample with material test certificate at the time of pre-bid meeting for sample approval . 5)Acceptance subject to inspection, verification of test certificate, and approval by Engineer-in-Charge.	Yes	
3	Aggregate (20 mm)	3003.00	50Kg/Package	---	Scope of Work – 20 mm Aggregate (Sample with Material Test Report/ Certificate) 1) Supply of 20 mm nominal size crushed stone / coarse aggregate of approved quality, conforming to IS:383 – 1970 (Coarse and Fine Aggregates for Concrete). 2) Aggregate shall be clean, hard, durable, angular, and free from dust, clay, soft particles, and organic impurities, suitable for reinforced concrete and masonry works. 3) Loading, transportation, and safe delivery at site/store. 4) Bidder shall provide material test certificate at the time of pre-bid meeting for sample approval .	Yes	

					5) Acceptance subject to inspection, verification of test certificate, and approval by Engineer-in-Charge.		
4	Plasticizer/Super Plasticizer	133.00	Kg	Chryso, or Equivalent			
5	Shuttering Form Work	103.00	Sqm	Zipco, Alliance, Bigwig , Plystory			
6	Red Bricks	23467.00	No's	---	Scope of Work – Red Bricks (Sample with Material Test Report/Certificate) 1) Supply of First Class Burnt Clay Red Bricks of approved quality, uniform size, and colour, conforming to IS:1077 (First Class Burnt Clay Building Bricks). 2) Bricks shall be well-burnt, dense, free from cracks, chips, hollows, and foreign materials, and suitable for masonry works. 3) Packing, loading, transportation, and safe delivery at site/store. 4) Bidder shall provide sample with material test certificate at the time of pre-bid meeting for sample approval . 5) Acceptance subject to inspection,	Yes	

					verification of test certificates, and approval by Engineer-in-Charge.		
7	Wooden Log (Required Shape)	2.00	Cum	---	Scope of Work – Teak Wood 1) Supply of Teak Wood (Tectona Grandis) of approved grade and size for furniture, doors, windows, or joinery work as per specifications/drawings. 2) Wood shall be well-seasoned, straight-grained, free from knots, cracks, warping, sap, or insect damage, suitable for high-quality construction/furniture. 3) Grade / Class of Teak (e.g., First Class/Best Quality) 4) Moisture content $\leq 12\%$ 5) Compliance with relevant IS standards for seasoned timber 6) Packing, loading, transportation, and safe delivery at site/store.		

8	MS Jali (As Per Drawing)	269.00	sqft	---	Scope of Work – MS Jali 1) Hand-made fabrication of MS Jali strictly as per approved drawing/design. 2) Use of approved quality mild steel sections. 3) Cutting, welding, grinding and smooth finishing of all joints. 4) Providing MS frame/border as required. 5) Surface preparation with primer + two coats of paint. 6) Supply of all fasteners and accessories required for installation (bolts, nuts, anchors, clamps, plates, etc.). 7) Packing, loading, transportation and delivery at site/store. 8) Including fixing, erection and installation at site.	
9	WPC Door Shutter (Including Accessories)	215.00	Sqft	Century Ply, Sintex, Alstone	Scope of Work – WPC Door Shutter 1) Supply of WPC door shutter of approved make, size and thickness as per drawing/specification. 2) Shutter to be factory finished / edge banded and free from warping or defects. 3) Provision of all accessories and fittings required for installation, including tower bolt, latch/lock, handle, hinges, stopper, screws and fixing hardware. 4) Cutting/slotting for fittings at factory/workshop level, if required. 5) Packing, loading, transportation and safe delivery at site/store. 6) Including fixing, installation, frame erection and site labour.	Yes

10	High Polymer Modified Quickest tile Adhesive	177.00	20 Kg/Bag	Roff, JK Tile, Sika, Asian Paint			
11	MS Wire Nail (All Size)	20.00	Kg	Kohinoor, Surya Wire Nails			
12	Nylon Rope	100.00	Mtr	Garware, Pahal, Balwaan			
13	S.S Screws	2000.00	No's	Unbrako, LPS, Stanley			
14	Grinding Cutting Disc	5.00	No's	Bosch, Hitachi, Taparia	Scope of Work – Grinding / Cutting Disc 1) Supply of grinding / cutting discs of approved make, size and type as per requirement. 2) Discs shall be of good quality, free from cracks, and suitable for metal cutting/grinding. 3) Product shall conform to relevant IS/industry standards. 4) Packing, loading, transportation and delivery at site/store.		
15	Tile Pigment	50.00	Kg	Rockwood, Ferro, Lanxess	Shade as Per Approved Drawing		
16	Granite Pigment	10.00	Kg	Rockwood, Ferro, Lanxess	Shade as Per Approved Drawing		
17	Putty Blade	25.00	No's	Taparia, Ralli Wolf, Freemans			
18	Sand Paper	100.00	No's	Sia Abrasives, Sunmight, CUMI			
19	Paint Tray	50.00	No's	Stanley, Taparia,			

				Greenman			
20	Paint Roller	10.00	No's	Berger, Nerolac, Asian			
TMT Steel Bar							
21	TMT Steel Bar (20 mm)	2275.00	Kg	Tata TMT, Sail TMT, JSW TMT	Scope of Work – TMT Steel Bars (Sample with Material Test report/ certificate) 1) Supply of TMT steel bars of approved make, grade (Fe 500 / Fe 500D / as specified) and diameter as per requirement. 2) Bars shall be new, straight, rust-free and conform to IS:1786 or relevant standards. 3) Cut length / bundling / tagging as required for identification. 4) Packing, loading, transportation and delivery at site/store. 5) Bidder shall provide sample with material test certificate at the time of pre-bid meeting for sample approval . 6) Acceptance subject to inspection, verification of test certificates, and approval by Engineer-in-Charge.		
22	TMT Steel Bar (16 mm)	1576.00	Kg	Tata TMT, Sail TMT, JSW TMT			
23	TMT Steel Bar (12 mm)	2481.00	Kg	Tata TMT, Sail TMT, JSW TMT			
24	TMT Steel Bar (10 mm)	700.00	Kg	Tata TMT, Sail TMT, JSW TMT			
25	TMT Steel Bar (8 mm)	1948.00	Kg	Tata TMT, Sail TMT, JSW TMT			
26	Binding Wire	898.00	Kg	Tata TMT, Sail TMT, JSW TMT			
PEB Structure							
27	Truss Member (RHS 240 x 120 x 6)	1326.00	Kg	Tata, Sail, JSW	PEB Structure (Workshop drawings) 1) The design and supply of structural frames shall be adequate to safely support all dead and imposed loads arising from layered construction, including but not limited to:		
28	Purlin Member (RHS 100 x 50 x 4)	985.00	Kg	Tata, Sail, JSW			
29	Purlin Member (SHS	122.00	Kg	Tata, Sail,			

	50 x 50 x 3.6)			JSW	Approval of Structural Design:		
30	Column Member (Vertical 200 x 200 x 6)	6362.00	Kg	Tata, Sail, JSW	1) “Detailed structural calculations and workshop drawings must be submitted to the Engineer-in-Charge for approval prior to fabrication/supply or during the pre-bid meeting, as applicable.” 2) No deviations from the approved drawings/specifications shall be allowed. Safety & Warranty: 1) The structure shall safely withstand the total load of finishes, occupancy, and environmental effects. 2) Contractor shall provide a minimum 12 months defect liability/warranty covering material, fabrication, and workmanship from the date of completion. Sample Approval: 1) Bidder shall provide sample with material test certificate at the time of pre-bid meeting for sample approval . 2) Acceptance subject to inspection, verification of test certificates, and approval by Engineer-in-Charge.		
31	Vertical Member of Truss (SHS 72 x 72 x 4.8)	2889.00	Kg	Tata, Sail, JSW

- Extremely Urgent & Time Bound nature of work, initiated to meet an extremely urgent functional requirement, therefore this procurement is of extremely urgent nature. The successful bidder shall supply of materials strictly within 15 days from the date of issue of supply order/contract. There shall be no expectation, presumption or entitlement of Extension of Time (EOT) under any circumstances whatsoever.
- Bidder should enclose complete UDYAM Registration Certificate with all connected annexure.
- The Buyer reserves the absolute right to cancel the bidding process or reject any or all bids at any stage prior to the award of the contract without assigning any reason thereof. The Buyer shall incur no liability toward affected bidders and is not obligated to inform them of the grounds for such action.
- The Buyer reserves the right to increase/decrease the required quantity of the originally ordered quantity. Such increased quantity shall be supplied at the same quoted unit rates and terms & conditions. No additional claim on account of price escalation, manpower, logistics or time shall be admissible. Failure to submit samples within time shall be treated as breach of contract, and forfeiting. No delay due to OEM, procurement, manufacturing or logistics shall be accepted as a ground for delay.
- Pre bid meeting - A mandatory pre-bid meeting shall be conducted in view of site specific, customised and urgent requirement of the materials. Attendance in the pre-bid meeting is mandatory for all intending bidders. Bidders who fail to attend the pre-bid meeting shall be deemed "Technically Non-Responsive," and their bids shall be summarily rejected without further evaluation.
- All bidders shall physically bring and submit samples of the specified brands / makes / materials as indicated in the BoQ and technical specifications at the site on the day of the pre-bid meeting, free of cost, for inspection, verification and approval.
- Each bidder shall give a technical PPT presentation covering product specifications, fabrication / installation compatibility and delivery timelines. The presentation is required for technical verification of supplied goods and samples approval. Approval of submitted samples and technical presentation by the Buyer shall be treated as a mandatory technical eligibility condition.
- The meeting will cover technical complexities, including structural drawing requirements and installation protocols for specialized items. The bidder may be required to give a PPT presentation for approval of Samples, during pre-bid meeting and/or at the time of delivery/execution and to submit any Drawings, Layouts wherever applicable. No delay on this account shall be accepted as a ground for extension. All supplies/materials and technical assistance shall strictly conform to approved samples, drawings and specifications.
- Bidders who fail to submit samples, fail to give presentation, or fail to secure technical approval shall be deemed Technically Non-Responsive and shall be disqualified.
- No post-bid submission, deferred submission or conditional compliance shall be permitted. No extension of time shall be admissible on any ground whatsoever.

11. Bidder shall submit the following documents along with their bid :-
 - a. Copy of PAN Card, Copy of GSTIN.
 - b. Copy of Cancelled Cheque.
 - c. Copy of EFT Mandate duly certified by Bank.
 - d. ITR return last 03 year
 - e. Past Performance: Evidence of similar nature supply (Civil items/bulk supply).
12. The bidders should not be under liquidation, court receivership or similar proceedings should not be bankrupt. Bidder is required to upload undertaking to this effect with the bid.
13. Bidders are advised to check applicable GST on their own before quoting. Buyer will not take any responsibility in this regards. GST reimbursement will be as per actual or as per applicable rates (whichever is lower), subject to the maximum of quoted GST %.
14. Termination of contract- Without prejudice to Buyer's right to price adjustment by way of discount or any other right or remedy available to Buyer, Buyer may terminate the Contract or any part thereof by a written notice to the Seller, if:
 - a. The Seller fails to comply with any material term of the Contract.
 - b. The Seller informs Buyer of its inability to deliver the Material(s) or any part thereof within the stipulated delivery Period or such inability otherwise becomes apparent.
 - c. The Seller fails to deliver the Material(s) or any part thereof within the stipulated Delivery Period and/or to replace/rectify any rejected or defective Material(s) promptly.
 - d. The Seller becomes bankrupt or goes into liquidation.

Buyer reserves the right to accept or reject any bid, wholly or partially, as per GeM GTC.

15. Terms and conditions of performance security, duties and taxes, integrity pact, Guarantee and warranty, consignee's right of rejection, payment terms, terms of delivery, liquidated damages, force major conditions, dispute resolution, Arbitration, termination for default, grounds for administrative action of seller, One bid per bidder etc clauses shall be as mentioned in GEM GTC. The Buyer reserves the right to reject the L1 bid if found technically non-responsive, non-compliant or impractical, as per GeM GTC.
16. Scope & Consolidated BoQ Bid Basis- The bid is invited on a consolidated basis for supply as well as incidental nature of technical assistance for installation, fabrication and execution according to supply of materials as per BoQ.
17. Basis of Award – Lowest Consolidated (L1) Bidder- The contract shall be awarded to the bidder quoting the lowest consolidated price (L1) for the complete supply of work material, subject to technical responsiveness and compliance with all bid conditions. Item-wise lowest rates shall not be considered for Only the overall consolidated quoted value shall be considered for determination of L1.
18. All customized items including UPVC/Aluminium Windows, ACP, Glass, WPC, fabricated components, roofing, flooring, etc. shall be Delivered in install-able condition within 15 days from sample/drawing approval or 20 days from contract whichever is earlier. Delay shall attract Liquidated Damages as per GeM GTC, without prejudice to other remedies.

19. Scope of this bid is primarily supply of materials. Any applicable Installation, layout, drawings, on-site co-ordination and technical support are incidental and integral to that supply and no separate works payment shall be admissible for that. Any such architectural drawings, floor layouts, elevations, interior layouts and installation drawings, if any, shall be: Prepared Signed and Sealed by a registered qualified Architect. All drawings, revisions and re-submission shall be done without any additional cost and shall be submitted within 15 days from sample/drawing approval or 20 days from contract whichever is earlier. No extension of time (EOT) shall be admissible under any circumstances whatsoever.
20. No extension of time shall be granted on any ground whatsoever, including delays in samples, drawings, OEM supply, manpower, logistics or weather.
21. All remaining terms relating to LD, payment, termination, arbitration, dispute resolution, force major, performance security etc. shall be governed by GeM General Terms & Conditions. In case of conflict, GeM GTC shall prevail.
22. **Cartel Formation/Bid Rigging:-** The bidders(s) should submit an undertaking on their letter head that they will not indulge in cartel formation/anti-competitive practices as per provisions mentioned at Para-7.6.8 of Manual for Procurement of Goods, Second Edition-2024. Further, purchaser reserves the right to take appropriate action against the bidders/tenderers found to be involved/indulged in Cartel Formation/Anti-Competitive practices as per provisions specified in Manual of Procurement of Goods, Second Edition-2024
23. **Termination of Contract:** Time shall be the essence of the contract. The purchaser shall have the right to terminate this Contract without any notice in part or in full in any of the following cases:
 - i) The delivery of the material is delayed for causes not attributable to force majeure after the scheduled date of delivery.
 - ii) The Seller is declared bankrupt or becomes insolvent.
 - iii) The delivery material is delayed due to causes of Force Majeure by more than 90 days.
 - iv) In case Performance Bank Guarantee (PBG) is not furnished within 15 days from the date of issue.
24. **Arbitration Clause:- As per Rule.**
