

Technical Specifications for Supply of Mil Grade Portable Hands Free VHF set with Voiceducer for Yard: 16501 to 16514 (14 FPVs) Ships of Indian Coast Guard as per TSP. No: 5027 rev 03 dated 23.12.2025.

Sr. No.	Item description	GeM Tender Line Sr. No.	Yard No.	Qty.	Unit
1	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	I	16501	8	SET
2	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
3	Documentation of Milgrade VHF System for FPV Project.			1	SET
4	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
5	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
6	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	II	16502	8	SET
7	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
8	Documentation of Milgrade VHF System for FPV Project.			1	SET
9	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
10	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
11	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	III	16503	8	SET
12	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
13	Documentation of Milgrade VHF System for FPV Project.			1	SET
14	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
15	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
16	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	IV	16504	8	SET
17	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
18	Documentation of Milgrade VHF System for FPV Project.			1	SET

19	OBS (On-board Spares) of Milgrade VHF System for FPV Project.	V	16505	1	SET
20	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
21	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)			8	SET
22	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
23	Documentation of Milgrade VHF System for FPV Project.	VI	16506	1	SET
24	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
25	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
26	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)			8	SET
27	Adapter-Charger for connecting 04 no's VHF set - 02 nos	VII	16507	1	SET
28	Documentation of Milgrade VHF System for FPV Project.			1	SET
29	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
30	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
31	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	VIII	16508	8	SET
32	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
33	Documentation of Milgrade VHF System for FPV Project.			1	SET
34	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
35	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training	VIII	16508	1	AU
36	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)			8	SET
37	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
38	Documentation of Milgrade VHF System for FPV Project.			1	SET
39	OBS (On-board Spares) of Milgrade VHF System for FPV Project.	VIII	16508	1	SET
40	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU

41	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	IX	16509	8	SET
42	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
43	Documentation of Milgrade VHF System for FPV Project.			1	SET
44	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
45	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
46	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	X	16510	8	SET
47	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
48	Documentation of Milgrade VHF System for FPV Project.			1	SET
49	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
50	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
51	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	XI	16511	8	SET
52	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
53	Documentation of Milgrade VHF System for FPV Project.			1	SET
54	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
55	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
56	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	XII	16512	8	SET
57	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
58	Documentation of Milgrade VHF System for FPV Project.			1	SET
59	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
60	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
61	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER	XIII	16513	8	SET

	c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)				
62	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
63	Documentation of Milgrade VHF System for FPV Project.			1	SET
64	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
65	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
66	Portable hands free VHF set with voiceducer with waterproof leather carrying case and spare battery consisting of:- a) Digital Transceiver b) VOICEDUCER c) Spare Battery d) Waterproof Cover with Strapping Belt e) Installation Material (if any)	XIV	16514	8	SET
67	Adapter-Charger for connecting 04 no's VHF set - 02 nos			1	SET
68	Documentation of Milgrade VHF System for FPV Project.			1	SET
69	OBS (On-board Spares) of Milgrade VHF System for FPV Project.			1	SET
70	Services of Engineers – Connectorisation, Installation, Operational Checks, STW (Setting to Work) & Training			1	AU
