

REQUEST FOR PROPOSAL

INVITATION OF BID FOR PROVN OF FD HEATING SYS (QTY- 40) IN THE AOR OF 14 CORPS

PART I: GENERAL INFORMATION

1. Online Bids are invited by 15 Engineer Regiment for and on behalf of the President of India for Provn of Fd Heating Sys (**Qty- 40**) for the FY2026-27 under **Job No: 6757/2026-27** at different locations under the AOR of HQ 14 Corps.

2. The address and contact numbers for seeking clarification regarding this RFP are given below:-

- 2.1. Bids/queries to be addressed to - CO, 15 Engineer Regiment
- 2.2. Postal address for sending requisite documents - 15 Engineer Regiment,
PIN - 914015
C/o 56 APO
- 2.3. Name/designation of the contact personnel - Commanding Officer
- 2.4. Telephone numbers of the contact personnel
- 2.4.1. Primary Contact No - **9186147634**
- 2.5. E-mail id of contact personnel - anilkandpal.343x@nic.in

3. **Placement of Order.** The purchase order will be placed on successful conclusion of negotiations with L1 firm.

4. **This RFP is being issued with no financial commitment, and the Buyer reserves the right to cancel/change or vary any part thereof at any stage. Buyer also reserves the right to withdraw the RFP or Supply Order before delivery of stores, should it become necessary at any stage.**

5. FOR delivery of items will be as under: -

Ser No	Items a.	A/U b.	Qty c.	Schedules att d.	Distance of Delivery from Leh City e.
1	Provn of Fd Heating Sys	Set	40	Annx I	350 Km of radius of Leh
2	Provn of Chimney	Set	40	Annx I	350 Km of radius of Leh
3	Provn of Duct	Set	40	Annx I	350 Km of radius of Leh
4	User manual and operating manual	Set	40	Annx I	350 Km of radius of Leh
5	Provn of tool set	Set	40	Annx I	350 Km of radius of Leh

6. **Delivery Schedule.** Stores will be delivered as per GeM instructions of placing of supply order at locations given in **Para 5 above with the following stipulations.**

6.1. **100 % of the stores for various jobs items will be delivered within 30 days of issue of contract / Supply Order as per Technical Specifications.**

6.2. **Before delivery of stores testing of all major items will be carried out when the store is ready for dispatch.**

Annx-I

PART- II

TECH SPECIFICATIONS : PROVN OF FD HEATING SYS

Brief Specifications for 01 x Fd Heating Sys			A/U	Qty
1. Fd Heating Sys: Fabrication and Supply of Fd Heating System based on indirect blowing of hot air into a building/shelter through duct and finally distributing the air at various points inside the shelter through winged outlet. The system should conform to relevant BIS norms. System to be installed at locations 250 km from Leh.			Set	01
2. One Hot air Unit, Kerosene Oil fired Indirect Heating Ductable type Hot Air Unit designed for 50,000K Cal/hr of heat load with following design parameters :- 2.1 Type - Hot Air Generator (Indirect Forced Air Type) 2.2 Make - As per relevant IS code 2.3 Heat Output Capacity - 50,000 Kcal/hr 2.4 Process Air Flow - 3200 m ³ at 80 ⁰ C. 2.5 Total El. Consumption - 0.83-1.5KVA 2.6 Oil Rate - 2.5-5 ltrs/hr. depending upon load. 2.7 Dimension - H – 5.11 x L – 2.11 x W – 1.9 (in feet) 2.8 Power Supply - 230V 1PH – 50Hz 2.9 Hot Air Temperature - 80 degree Celsius 2.10 Space Heating Capacity - 34 - 41 Kcal/Hr/Sq.ft.(taking Height at 9ft.)			Set	01
2 Inside Temp	-	+20 ⁰ C (±1 ⁰ C)		
2.1. Chamber	-	Mild Steel Horizontal Fire Tubes		

3.	Model :- Designed for 50,000 kcal/hr of Heat load. 3.1 Combustion Chamber :- The vertical combustion chamber is fabricated out of low carbon steel horizontal tube type combustion chamber, a flue gas outlet, and a ventilation blower. The ventilation blower is fitted at the bottom of the system to blow air upward over the combustion chamber and rest of the smoke tubes. The hot air outlet is provided at the top for easy flow of air. The system comes with following inbuilt mechanisms. 3.1.1 Temperature meter. 3.1.2 Automatic control panels for blower fan and burner. 3.1.3 Thermostat controller. 3.1.4 Main Control Switch along with safety fuse. The mono block body is insulated by the fiber glass/glass wool material and the exterior protection is secured against corrosion by painted sheet metals.	Set	01
4.	Air Pressure Jet Fuel Burner. The proposed hot air generator would be equipped with full automatic air pressure jet with following assembly. 4.1 Combustion head assembly. 4.2 Nozzle. 4.3 Sequence controller with flame sensor. 4.4 Fuel pump and blower assembly.	Set	01
5.	Fuel Tank. The system would be provided with cylindrical shaped fuel tank of 100Litres capacity made of 2mm MS sheet to backup for 12 hours continuous running along with complete fuel line, filters and valves as per requirement	Nos	01
6.	Chimney. Suitable chimney made of 24 gauge MS sheet coated with heat grade black paint of 130mm dia, 12 feet long complete with one bend and one rain cap will also be provided with the system.	Nos	01
7.	Duct. Complete ducting of 18x8 inch running upto the end of the shelter and at 6 grilled outlets at suitable distances made of 24 gauge PGI Sheet along with screws and hangers will be provided as per the requirement. The exposed portion will be insulated with 40mm thick glass wool insulation covered with aluminium foil.	Nos	01
8.	Safety Device. In case of temp rising above the set temp the safety thermostat should automatically cut off the burner.	Nos	01
9.	Complete Tool : One complete tool set as per manufacturer instructions, two spanners, one screw driver and one plier will also be provided with the system.	Set	01

10.	Operating Manual: An operating manual will also be provided with the system.	Nos	01
11.	Fast Moving Parts. The following fast moving spare parts will also be supplied with the one central heating system :- 11.1 Sequence Controller - 01 No 11.2 Burner Nozzle - 01 No 11.3 Photocell - 01 No 11.4 Fuse 6 Amp - 01 No 11.5 Diesel pipe complete - 01 Set 11.6 Fuel filter assy - 01 No	Set	01
12.	Details missing , if any, will be assumed as per good engineering practice and will be provided by the supplier after being approved by Accepting Officer. Cost for the same is deemed to be included in the quoted rates. The decision of Accepting Officer will be Final and Binding.		
13.	Warranty. Two years warranty against all defects in materials and workmanship from the time of installation.		

PART: III

ESSENTIAL DETAILS OF ITEMS/ STORES/ SERVICE REQUIRED

7. Tenderers shall furnish list of authorized service centers (For Commercially off the shelf items) throughout the country with complete address phone number, fax & email etc.

8. **Cover-I.** Cover-I will contain the **Technical Bids** comprising of following documents. Details of documents are as below (clear and legible documents to be submitted else bid liable to be rejected): -

Ser	Categories	Remarks/ Appx
1	Bank Solvency Certificate (Solvency amount to be more than 50% of the contract value) (Specific amount, next higher value) (Bank solvency of current FY to be submitted)	
2	Cancelled cheque (New Blank cheque duly cancelled hand written to clearly bring out the name of the firm, Bank Acct No, IFSC Code and Bank address)	
3	ECS Mandate Form (To have date not more than six months prior to uploading of documents) ECS without date would be rejected.	
4	Valid MSME Certificate in similar wk / EMD 2% (Specific Amount rounded off to the next higher value) in favour of CO, 15 Engineer Regiment for a period of 06 months.	EMD in Hard Copy
5	PAN and GSTIN Registration	Should be readable and printable
6	Bidder Turnover Certificate (CA Approved) of latest date of last 3 Yrs (Provisional approved from CA for preceding year will also be accepted due to non-filling of GST till Jun 2025)	
7	Confidentially Certificate	Appendix 'A'
8	Store Delivery Assurance Certificate	Appendix 'B'
9	Fall Clause Acceptance Certificate	Appendix 'C'
10	Solvency Certificate	Appendix 'D'
11	Past Performance Certificate of similar work during last three years (along with supporting documents i.e Supply Orders / Work Orders to be provided which are executed in the AOR of Indian Army Northern Command/ Eastern Command). Completion certificate of all previous completed SOs of similar work and SOs currently in progress has to be submitted separately.	Appendix 'E' Read in conjunction with para 9.2 of rfp
12	Code of Integrity Certificate	Appendix 'F'
13	Certificate of Non-Issuance of Adverse Performance Notices	Appendix 'G'
14	OEM Certificate as per makes approved by HQ 14 Corps	Appendix 'J' read in conjunction with Para 30 of RFP.
15	Acceptance of Terms and Conditions Cert	
16	Make in India Certificate	
17	Compliance of BOQ Certificate	
18	Basic Info form	Appendix 'K'
19	Certificate for compliances and no late delivery	Appendix 'L'
20	Certificate for use of YST-310 Grade Steel	Appendix 'M'
Note: 1. All the cert as asked above must be on Firm's letter head duly quoting Bid ID and date against which they are being uploaded and also along with Authorised signature and stamp. 2. The Bidder is requested to not to forward duplicate certificate and the certificates are to be fwd in the same sequence as asked by the RFP. 3. This RFP comprises 42 (Forty-Two) pages. The bidder shall sign, stamp and date each page, and upload the scanned signed, stamped and dated copy in PDF format as a mandatory document along with the bid.		

9. The bid shall have the following PQC criteria: -

9.1. Average annual financial turnover during the last 3 years, ending 31st March of the previous financial year, should be at least 30% of the estimated cost. (This average annual turnover of 30% is for a work with period of completion as three years and where the period of completion is less than 3 years, the requirement of average turnover shall be proportionally increased and specified).

9.2. Experience of having successfully completed similar works during last **three** years, ending last day of month previous to the month of bid submission start date, should be either of the following: -

9.2.1. Three similar completed works costing not less than the amount equal to 40% of the estimated cost.

Or

9.2.2. Two similar completed works costing not less than the amount equal to 50% of the estimated cost.

Or

9.2.3. One similar completed work costing not less than the amount equal to 80% of the estimated cost.

9.3. Similar works will be defined as all works as defined in **Appx 'N' Cat-I**.

10. **Modification and Withdrawal of Bids.**

10.1. The bidder may modify or withdraw his bid after submission provided that the written notice of modification or withdrawal is received by the Buyer prior to deadline prescribed for submission of bids. A withdrawal notice may be sent by email but it should be followed by a ink signed confirmation copy to be sent by post and such signed confirmation should reach the purchaser not later than the deadline for submission of bids. No bid shall be modified after the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and expiration of the period of bid validity specified. Withdrawal of a bid during the period will result in Bidder's forfeiture of bid security. The same will result in **black listing the firm for a period upto two years from tendering in Army tenders on discretion of Accepting Officer. Once Supply Order placed on L1 and the firm does not accept the Supply Order, will result in black listing the firm for a period upto two years from tendering in Army tenders on discretion of Accepting Officer.**

10.2. In certain cases, fake documents are being submitted by vendors. The quote by bidder is liable to be cancelled as well as ban will be placed on vendor from tendering in Army tenders for a **period of upto two year in GeM / DPP post approval of the Accepting Officer**. In cases wherein SO has been placed and docus are found to be fake, SO will be rescinded alongwith ban as given above to be specified.

11. **Earnest Money Deposit.** Bidders are required to submit Earnest Money Deposit (EMD) **2%** (Specific amount to next higher value) of tender cost along with their bids. The EMD may be submitted in the form of an Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee from any of the public sector banks or a private sector bank authorized to conduct government business as per Form DPM-16. **EMD is to remain valid for a period of 180 days beyond the final bid validity period.** EMD of the unsuccessful bidders will be return returned to them at the earliest after expiry of the final bid validity and latest on or before the 30th day after the award of the contract. The Bid Security of the successful bidder would be returned, without any interest whatsoever, after the receipt of Performance Security from them as called for in the tender. The EMD will be forfeited if the bidder with draws or amends impairs or derogates from the tender in any respect within the validity period of the tender. **EMD to be issued in favor of Commanding Officer, 15 Engineer Regiment, PIN-914015, C/o 56 APO payable at Leh.**

12. **If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price accordingly.**

13. The Lowest Acceptable Bid will be considered further for placement of contract/Supply Order after complete clarification and price negotiations as decided by the Buyer. The Buyer will have the right to award contracts to different Bidders for being lowest in particular items in case of item rate contract. The **Buyer also reserves the right to do Apportionment of quantity**, if it is convinced that lowest Bidder is not in a position to supply full quantity in stipulated time wherein the **order may be placed on L2, L3 at L1 rates provided this is acceptable to them at the ratio of 50:30:20 or 50:50.**

14. **Bidders are required to mention the rate with GST and without GST separately on an Appendix. If the same is not appended separately, then the quote given will be considered as Amount with GST.**

15. The bidder should quote specific make, model and other relevant details of the items for which rates are quoted, irrespective of whether specifications are mentioned with the make/ model or not. **In the absence of above information, a quotation may be rejected by the quotation opening board. The bidder will quote lump sum amount for the structural items including all accessories & item rates for electrical, sanitary & construction materials as per technical specifications. The details are attached as per BOQ in bid document & rates will be quoted online by bidders in BOQ Excel Sheet only.**

16. **Confidentiality.** The Vendor will ensure confidentiality of the project and will not disclose any information, explicit or tacit, gained by them or their representative or agents, while interacting with the Officers of 15 Engineer Regiment. The authorized representative of the Vendor will sign the 'Certificate of Confidentiality' given at **Appendix 'A'** with the Company Seal duly affixed.

17. Rate for delivery of stores/ items will be considered for delivery as given in the FOR location at Para 5 of Part I of this RFP **with 60 days for 100% of stores from the date of issue of contract/ supply order (LD will be applicable for delivery of stores if delayed as per para 58 of the RFP).** In case the work is unduly delayed or not completed by the vendor, it will result in **banning of the vendor from participating in Army tenders for a period of two years on the discretion of the accepting officer.**

18. Specifications of TS supersedes the drg in case of ambiguity, **decision of Accepting Officer shall be final and binding.** Any clarification required to be sought before the bidding and not once supply order has been placed.

19. **Blank.**

20. For 350 KM radius from Leh. Stores shall be received at Freight on Road (FOR) location only: -

20.1. **Default in Delivery of Stores at Designated FOR.** 14 Corps remains cutoff during road closure period usually with effect from Nov to May. Should the firm fail to deliver entire/ or part thereof stores as per FOR given in supply order thereby causing a breach in the terms & conditions of the contract, the firm shall be liable to deliver the stores at a designated store dump at Srinagar/ Chandigarh/ Pathankot as per decision of Accepting Officer. In all such cases the following will be adopted: -

20.1.1. **Bank Guarantee Against Transportation (10% of supply order amount).** In case of stores are not delivered at Leh due to closure of roads. Then stores will be delivered at Srinagar/ Chandigarh/ Pathankot. The payment will be made after submission of transportation bank guarantee 10 % of the supply order amount against the cost of transport from Srinagar/ Chandigarh/ Pathankot. On opening of roads vendor will ensure supply of stores within one month to FOR i.e Leh. This Bank Guarantee against transportation will be released on transportation of complete set of concerned stores at FOR i.e Leh by the vendor.

20.1.2. For the purpose of calculation of Bank Guarantee, the vendor will submit details of the load in terms of tonnage and number of vehicles (9 ton/ 6 ton) mentioned separately of each type of items. Stores.

20.1.3. Validity of the Bank Guarantee against Transportation should be minimum **10 months** and above.

21. **The rates accepted under this Supply Order shall remain firm and valid for a period of six (06) months from the date of placement of Supply Order / acceptance of the contract, whichever is later.** During this period, the Purchaser reserves the right to place **repeat order and/or exercise the option clause** for additional quantity (as applicable), at the **same rates, terms and conditions**, and **no escalation / price variation shall be admissible.**

22. The vendor shall supply, along with the structure, a bilingual Operation & Maintenance (O&M) Manual (English and Roman Hindi), in both hard copy and editable digital format. The manual shall comprehensively cover assembly, installation, commissioning procedures, wind/snow-load precautions, anchoring/foundation guidelines on frozen or partially frozen ground, insulation and condensation-control guidelines, and periodic inspection and preventive maintenance checklists. Further, the manual shall specifically incorporate site-specific operating instructions for high-altitude deployment (above 10,000 ft AMSL), including temperature-related material limitations, safe handling and storage protocols, cold-weather installation practices, and safety precautions for personnel.

23. If vendor withdraws/ retracts after placing of SO or the documents are found to be fake, **SO will be rescinded alongwith blacklisting of firm for two years as per discretion of Accepting Offr** and the list will be shared with all units in AOR of 14 Corps.

24. In case of inferior quality store or fake item / documentation before or after placing of supply order, Accepting Officer has full right to cancel the Supply Order on quality grounds and due to breach of trust and no representation on this account will be entertained. The vendor will be black-listed for two years for participating in Army Tendering. All vendors to check the given specifications as per the TS before dispatch on account of quality and quantity as per the SO clauses. **Accepting offr will share the list of rejected items with all units in AOR of 14 Corps.**

25. Material testing certificates should be sent along with the supplied items, the material will be checked at buyer's end & the result of the test will be one of the criteria for acceptance of the product. The test can be carried out by the buyer at cost of the supplier and from the Govt approved lab / IIT/ NIT as chosen by the buyer. Before dispatch of stores, testing of sample items as selected by Engrs Branch, HQ 14 Corps/rep thereof will be undertaken. Cost of the same will be borne by the vendor.

26. Bidder's offer is liable to be rejected if he fails to upload any of the certificate/documents as asked by the buyer.

27. **The supplier should be an OEM for fabrication of Shelter and in case of raw material, the OEM certificate is required to be furnished by the successful bidder for respective items for manufacture itself and same to be submitted along with the factory test certificate.**

28. Surprise visit to the fabrication unit/factory by any nominated member of the buyer for inspection of the factory can be organized.

29. ISO certification ISO 9001(Qlty and safety), 9000 (Qlty Mgt) to be submitted at the time of submission of technical bid.

30. **Fwg points for OEM certification to be ensured: -**

30.1 For individual items having estimated cost up to ₹6,00,000/-, OEM authorization certificate issued by the OEM either **directly to the bidder or to an authorized distributor/third party (linked to the bidder)** may be accepted, subject to verification.

30.2 For individual items having estimated cost above ₹6,00,000/-, only OEM authorization certificate **issued directly by the OEM in favour of the bidder** shall be accepted.

30.3 OEM certificate shall **not be required** for **standard construction materials** (cement, sand/aggregate, bricks/blocks, stone, etc.) unless specifically stipulated in the RFP for critical/specialized materials. **However, for works/supplies in high-altitude and low-temperature regions, the bidder/vendor shall provide relevant manufacturer's test certificates / third-party test reports (as applicable) confirming conformity to applicable standards/specifications** for the materials supplied.

30.4 The OEM authorization certificate shall be issued by the OEM on its **official letterhead**, duly **signed and stamped**, with **date of issue** and **verifiable contact details** (email/phone/website). The certificate shall clearly specify:

- | | | |
|---------------|--|-------------------|
| 30.4.1 | Item name, make, model and specifications; and serial number/batch number | where applicable. |
| 30.4.2 | Authorization status of bidder (OEM / authorized manufacturer / distributor / system integrator / reseller). | |
| 30.4.3 | Validity period of authorization and territorial validity (India / region, etc.). | |

30.5 Only **original / verifiable** OEM certificates shall be accepted. Any certificate found to be **scanned without verifiability, forged, unsigned, ambiguous, or issued by unauthorized third party** shall render the bid **technically non-compliant and liable for rejection**.

30.6 No relaxation / waiver of OEM certification requirements shall be permitted after bid submission. Any waiver, if approved, shall be issued only through a **written corrigendum / amendment** duly signed by the Accepting Officer and circulated to all bidders.

30.7 In absence of such written corrigendum, any verbal / individual waiver shall be treated as **null and void**, and any deviation shall be construed as violation of **fair bidding norms under Rule 173 of GFR-2017**.

30.8 All submitted OEM certificates shall be subject to verification by the buyer from OEM through email/online portal/telephonic confirmation. In case any certificate is found **fabricated / misleading / misrepresented**, the firm shall be liable for:

- 30.8.1. Rejection/ Termination of contract,
- 30.8.2. Forfeiture of EMD/ Performance Security, and
- 30.8.3. Banning/ Blacklisting **up to two (02 Years)** as per applicable rules.

30.9 Self-OEM Verification (Mandatory)

In case the bidder claims to be OEM/manufacture, the bidder shall submit the following documents along with technical bid for verification:

30.9.1 Manufacturing Facility Proof

- Factory/works address with ownership/lease documents.
- Manufacturing/Trade licence / Factory registration (as applicable).
- GST registration showing same principal place/additional place.

30.9.2 Statutory Registrations

- UDYAM/MSME registration (if applicable).
- PAN, GST.

30.9.3 Production Capability & Process Evidence

- List of plant & machinery and manufacturing process.
- Work photographs/videos of manufacturing facility (with geo-tag/time stamp where feasible).
- List of technical staff / QC staff.

30.9.4 Quality Control Evidence

- ISO certificate (if applicable) must reflect scope/address of the manufacturing unit.
- In-house test/QC reports OR third-party NABL test reports relevant to offered product.

30.9.5 Traceability

- Raw material invoices/MTC for key materials.
- Product marking/serialisation system (where applicable).

30.9.6 Right of Inspection Purchaser reserves the right to conduct **factory inspection** and/or seek documentary proof. Non-compliance shall render the bid liable for rejection.

31. Sample Clause:

31.1. The contractor shall supply one complete sample of the item/ structure free of cost for evaluation and testing prior to commencement of bulk production. The sample shall be identical in design, materials, workmanship, and finish to the intended bulk supply.

31.2. The sample shall be inspected and tested by the Buyer's representative/ Engineer branch HQ 14 Corps or their nominated agency. Testing may include dimensional verification, material testing, functional performance, insulation efficiency, wind/snow load check, and workmanship quality as applicable to the nature of the store.

31.3. The contractor shall not commence bulk manufacture or dispatch until the sample has been unconditionally approved in writing by the buyer. Production without such written approval shall be at the contractor's risk and may result in rejection of the entire lot at Buyer's discretion.

31.4. Any expenses incurred by the contractor for production of the sample and for subsequent testing/inspection shall be borne entirely by the contractor. No compensation or claim shall be admissible if the sample is found unacceptable.

31.5. The approved sample shall be sealed, signed, and retained by the buyer as a reference standard for comparison with bulk supplies. Bulk deliveries shall conform strictly to the quality and configuration of the approved sample.

31.6 If any bulk-supplied item is found inferior or deviating from the approved sample, the entire consignment shall be liable for rejection and replacement at the contractor's cost.

31.7 The buyer reserves the right to conduct retesting or re-verification of random samples from bulk deliveries from bulk deliveries at a Govt-approved lab /IIT/NIT. The cost of such testing, in case of failure, shall be borne by the contractor.

31.8 Approval of sample shall not relieve the contractor of his responsibility for compliance with all technical specifications, drawings, and contractual conditions.

PART IV

STANDARD CONDITIONS

32. **Law.** The contract shall be considered and made in accordance with the laws of the Republic of India.

33. **Effective Date of the Contract.** Normally the contract shall come into effect on the date of issue of supply order or when some other effective date which is mutually agreed to and specifically indicated/ provided in the contract. The deliveries of Store supplies and construction activities shall commence from the effective date of the contract.

34. **Arbitration.** All disputes or differences arising out of or in connection with the Contract shall be settled by bilateral discussion. Any disputes, disagreement or question arising out of or relating to the Contract or relating to construction or performance, the decision of the Accepting Officer will be final and binding.

35. **Non-disclosure of Contract documents.** Except with the written consent of the Buyer/ Seller, other party shall not disclose the contract or any provision, specification, plan, design, pattern, sample or information thereof to any third party.

36. **Delivery of Stores after physical Checking by BOO.** The stores be delivered at the store dump of this unit location for carrying out physical check by Board of Officers. After checking of stores by the Board of Officers, it is the sole responsibility of the seller/contractor/vendor to deliver the stores at designated site under their own arrangements. The buyer will not be responsible for stores lying in the store yards beyond the stipulated time of 30 days from the date of SO.

37. **Delivery Schedule.** Stores will be delivered as per GeM instruction of placing of supply order at locations given in **Part-I of this RFP**. Please note that Contract can be cancelled unilaterally by the Buyer in case items are not received within the contracted delivery period. Extension of contracted delivery period will be the sole discretion of the Buyer, with or without applicability of LD clause. Date of supply will be strictly followed. Commanding Officer, 15 Engineer Regiment reserves the right not to accept supplies after the stipulated delivery period and cancel the supply order. No extension will be granted to the firm in the deadlines to supply the stores. If any delay is expected in delivery of stores, it has to be informed to the unit at least 20 days in advance through letter. Accepting Officer i.e. CO, 15 Engineer Regiment will be sole authority in entertaining any request for extension of deadlines to supply stores. The seller will organize & arrange for unloading of stores at site either by manual or mechanical effort.

38. **Past performance evaluation:**

38.1. The bidder's past performance within the AOR shall be an essential criterion for technical evaluation. **Vendors/contractors who have been issued slow progress notices, poor performance certificates, or show cause notices by any formation/unit in any command during the last three (03) financial years shall be liable for disqualification.**

38.2. **The bidder shall submit a self-declaration stating that they have not been issued any slow progress or poor performance notice by any MES unit or Government Department during the last three years. The declaration shall be signed by the authorized signatory of the firm.**

38.3. The Accepting Officer reserves the right to verify the past performance of the bidder from available departmental records, including the performance database maintained by formations.

38.4. If any adverse record or slow progress notice is found, the bidder's offer may be rejected without assigning further reason.

38.5. Submission of false or misleading information shall render the bid liable for rejection and blacklisting as per existing Government orders.

38.6. **Discretion of Accepting Officer.** The decision of the Accepting Officer regarding a bidder's past performance and eligibility shall be final and binding.

39. **Correctness of Corresponding E-Mail Address.** Vendors has to provide functional E-mail Id/ Address for all official correspondence. If, the provided E-mail Id found not functional while doing correspondence, the Accepting officer reserves the right to reject the bid during technical evaluation.

40. Bidder should quote specific make model and other relevant details of the items for which

rates are quoted irrespective of whether specifications are mentioned with the make/ model or not in the absence of above information a quotation may be rejected by the quotation opening board.

41. **Specifications.** The seller guarantees to meet the specifications of the Supply Order. The Seller, in consultation with the Buyer, may carry out technical up gradation in the design, drawings and specifications due to change in manufacturing procedures, indigenization or obsolescence. This will however, not in any way adversely affect the end specifications of the equipment.

42. **Quality.** The quality of the stores delivered /work executed according to the present Supply Order shall correspond to the technical conditions and standards or Specifications enumerated as per contract/Supply Order and shall also include there in modification to the stores suggested by the Buyer. Such modifications will be mutually agreed to. **The Seller shall supply changeability certificate along with similar life as the original item. In case of inferior quality store delivered / inferior quality in execution, accepting officer has full right to cancel the Supply Order on quality ground and for due to breach of trust and no representation on this account will be entertained. All vendors to check items before dispatch on account of quality and quality as per the SO clauses. The supplier should be an OEM for fabrication or should have an OEM authorization certificate for fabrication of respective items for manufacturers and same to be submitted along with the Technical bid.**

43. **Quality Assurance.** After the Supply Order is finalized, the Seller would be required to provide the standard Acceptance Test Procedure (ATP), Buyer reserves the right to modify the ATP. **Seller would be required to provide all test facilities at his premises for acceptance and inspection by Buyer.** The item should be of the latest manufacture, conforming to the current production standard and having 100% defined life at the time of delivery. Material testing certificate should be sent along with the supplied items, the material will be checked at buyer's end & the result of the test will be one of the criteria for acceptance of the product. The test can be carried out by the buyer at cost of the supplier and from the Govt approved lab/IIT/NIT as chosen by the buyer.

44. **Quality Control.**

44.1. Approval for quality is desirable and will be resorted to when & if feasible.

44.2. Acceptance officer reserves the right to get any part tested for quality if he feels so. Cost of such testing will be borne by the supplier. Buyer can send their rep for factory visit for quality check while manufacturing.

44.3. In case of inferior quality stores, Accepting Officer can cancel the Supply Order on quality grounds.

44.4. The supplier will be responsible for quality of items used in fabrication as given in the technical specifications.

44.5. Surprise visit to be fabrication unit/factory by any nominated member of the buyers for inspection of the factory.

44.6. **All vendors should submit their plan of procurement, so that works would be completed within stipulated time during submission of the technical.**

44.7. **Vendor is solely responsible for repair/replacement during Defect Liability period.**

45. **Pre-Dispatch Inspection.**

45.1. Buyer's representatives will carry out Pre-Dispatch Inspection (PDI) at the buyer's discretion of the stores/equipment in order to check their compliance with specifications. Upon successful completion of such PDI, the Seller and Buyer will issue and sign a certificate of conformity.

45.2. However, even after PDI, post-delivery checks will be carried out as per TS and items not matching the desired stores will be rejected by the BOO.

45.3. The cost for move of representative of Buyers for participation in PDI will be borne by the seller without any additional financial effect.

45.4. The Seller shall intimate the Buyer at **least 07 days** before the scheduled date of PDI. The Buyer will send his authorized representative(s) to attend the PDI.

45.5. The Seller shall provide reasonable facilities, access and assistance to the Buyer's representative for safety and convenience in the performance of their duties.

46. Commanding Officer, 15 Engineer Regiment will be the Accepting Officer for the tender. In case of any contingency due to force majeure, the request for extension in supply period will be made minimum two weeks before delivery date. It will be purely the discretion of Commanding Officer, 15 Engineer Regiment in granting the extension.

47. **Transportation.** The store will be delivered at the consignee's end as per delivery schedule. The firm will make its own arrangement to pay all taxes including transit insurance/ octroi and other taxes as applicable, the cost thereof and will be responsible for defect free delivery of stores at destination. Labour charges for unloading the store from seller vehicles at consignee end and stocking in the stores yard of consignee will be borne by supplier. Any damages to stores during transportation from shop/ factory to the site will be borne by the supplier. Any damage to the stores during transportation from seller delivery location to the site where the stores are required to be supplied will be made good/ replaced by your firm **within 15 days** of the intimation from this unit.

48. **Packaging and Dispatch.** The stores are required to be packaged to withstand normal conditions of shipment and short-term storage in transit and in the country of destination and the following conditions will apply: -

48.1. The Seller shall be responsible for any loss or damage or expenses incurred because of inappropriate packages.

48.2. Packages containing articles classified as hazardous should be packed and marked in accordance with the requirements of the appropriate regulations governing their dispatch by road or air.

48.3. The Seller shall also comply with the detailed packaging and dispatch instructions, if specified in the contract.

48.4. The responsibility of sending dispatch documents will rest with the Seller. Detailed shipping instructions issue from time to time by the Buyer will apply.

48.5. Packing Materials (PM) needed to ensure safe transportation of material from firm premises to delivery sites and to locations where it is to be constructed will be supplied and rate if any for the same will deemed to be included in quotation and no extra charges will be paid. **All material except for trusses, purlins & columns which do not get damaged during transportation to be packed with maximum weight of 100 kg per package. Accepting officer is free to reject any damaged stores which will be replaced by the supplier without any cost effect.**

48.6. Packing shall be marked with the following: -

- 48.6.1. Manufacturer's Name and Address.
- 48.6.2. Consignee's Name and address.
- 48.6.3. Nomenclature of item.
- 48.6.4. Contract No.
- 48.6.5. Year of Manufacture.
- 48.6.6. Quantity packed.

48.7. The store will be accepted only as a complete entity in composite loads and not in parts/components.

48.8. The representative of the firm should be present at the **FOR location** from the time the very first consignment arrives at **FOR location** till the time supply order is completed for identification of parts, failing which stores will not be accepted at **FOR location**.

49. **Option Clause.** Under this clause, the Purchaser retains the right to place orders for additional quantity up to a maximum of 50% of the originally contracted quantity at the same rate and terms of the contract. Such an option is available during the original period of contract provided this clause has been incorporated in the original contract with the supplier. Option quantity during extended DP is to be limited to 50% of balance quantity after original Delivery Period. This clause may be exercised in case of procurement from single vendor/ OEM also subject to there being no downward trend in prices.

50. **Repeat Order Clause.** The contract will have a Repeat Order Clause, wherein the Buyer can order upto 50% quantity of the items under the present contract within six months from the date of supply/ successful completion of this contract, the cost terms & conditions remaining the same. The Bidder is to confirm acceptance of this clause. It will be entirely the discretion of the Buyer to place the Repeat order or not.

51. **Fall Clause.**

51.1. **The price charged for the stores supplied under the Supply Order by the Seller shall in no event exceed the lowest prices at which the Seller sells the stores or offer to sell stores of identical description to Indian Army/** Organizations including the purchaser or any department of the Central Government as the case may be during the period till performance of all Supply Orders placed during the currency of the rate Supply Order is completed.

51.2. If at any time, during the said period the Seller reduces the sale price, sells or offers to sell such stores to Indian Army/ Organization including the purchaser or any department of Central Govt as the case may be at a price lower than the price chargeable under the Supply Order, **the Supplier shall forthwith notify such reduction or sale or offer of sale to the Buyer and the price payable under the Supply Order for the stores of such reduction of sale or offer of the sale shall stand correspondingly reduced.**

52. **Inspection Authority.** The store will be subjected to an inspection to ascertain that they confirm to the specification as laid down in the supply order. The costs incurred during inspection, if any (only for testing of material), will be borne by the Vendor / Supplier.

53. **Raw Materials.** All raw materials used should be new and as per particular specification given in Technical specifications. Test certificate for all raw materials will be submitted by the seller.

54. The items supplied will be finally accepted on the approval of the Commanding Officer, 15 Engineer Regiment or by board of officers.

55. In case of failure of supply of items by due date, the Commanding Officer reserves the right to cancel this supply order. If any items have been partially delivered, the vendor will be responsible to take back the items at own cost after cancellation of supply order.

56. **Performance Bank Guarantee.** Performance Security deposit payable to the Purchaser is furnished by the Supplier in the form of a Performance Bank Guarantee (PBG) issued by a public sector bank or a private sector bank authorized to conduct government business, in the prescribed format within **30 Days from the date of contract.** At present, ICICI Bank Ltd., Axis Bank Ltd. And HDFC Bank Ltd. are the three private sector banks authorized to carry out government transactions. The performance security deposit is meant to compensate the Purchaser for any loss suffered due to failure of the supplier to complete his obligations as per the contract. Preferably, performance security is payable by the supplier at the **rate of 5% of the contract value.** PBG should remain valid for a period of 180 days beyond the date of completion of contractual obligations, including warranty. The BG is returned to the supplier on successful completion of all his obligations under the contract in case the execution of the contract is delayed beyond the contracted period and the purchaser grants extension of delivery period, with or without LD, the supplier must get the BG revalidated, if not already valid. The format of the PBG is given in Form DPM- 15. **Accepting officer reserves the right to cancel the supply order without notice incase PBG is not submitted within 30 Days. A separate (Annual Maintenance Contract) BG at the rate of 5% will be provided prior to release of final BG on completion of work/ defect liability period for the contracts with AMC included.**

57. **Forfeiture of Performance Bank Guarantee (PBG)/ Earnest Money (EM).** The BG/ EM will be liable to be forfeited of the bidder withdraws or amends, impairs or derogates from the tender in any respect within the validity period of the quotation/Supply Order.

58. **Warranty.** The following warranty will form part of the contract placed on successful bidder:-

58.1. The Seller warrants that the goods supplied under the Supply Order conform to technical specifications prescribed and shall perform according to the said tech specifications.

58.2. The Seller **warrants for a period of minimum 12 months (or as per the warranty of eqpt being supplied)** from the date of acceptance of **stores / T&P** by Joint Receipt Inspection from date of installation and commissioning (whichever is later). The goods/stores supplied under the Supply Order and each component used in the manufacture thereof shall be free from all types of defects/failures.

58.3. If within the period of warranty, the goods are reported by the Buyer to have failed to perform as per the specifications, the **Seller shall either replace or rectify the same free of charge, within a maximum period of 30 days of notification of such defect** received by the Seller, provided that the goods are used and maintained by the Buyer as per instructions contained in the Operating Manual. Warranty of the equipment parts would be extended by such duration of downtime.

58.4. The Seller also warrants that necessary service and repair back up during the warranty period of the equipment shall be provided by the Seller and he will ensure that the downtime is **within**

30 days of notification of such defect received by the Seller.

58.5. Seller shall provide the details of complete defects reasons and remedial actions for defects, when such defects arise.

58.6. If particular equipment/goods fails frequently and /or, **the cumulative down time exceeds 25% of the warranty period, the complete equipment shall be replaced free of cost by the Seller within a stipulated period of 30 days of receipt** of the notification from the Buyer. Warranty of the replaced equipment would start from the date of acceptance after joint Receipt Inspection by the Buyer/date of installation and commissioning.

58.7. **After carrying out the overhauling/change of alternator/ change of armature a minimum of 12 months warranty will be provide against the repaired parts such as armature, alternator, overhauling and other repairs.**

59. **Risk & Expense Clause.** Should the stores or any installment thereof not be delivered within the time specified in the Supply Order or if defective delivery is made in respect of the stores or any installment

thereof, without prejudice have to the right to recover liquidated damages as a remedy for breach of contract, to declare the contract as cancelled either wholly or to the extent of such default.

60. **Rejected Stores/items.** The rejected stores/items will be disposed off by the supplier at his own risk and cost at the site where these are rejected.

61. **Standard Conditions of Quotation.** The Bidder is required to give confirmation of their acceptance of the Standard Conditions of the Request for Proposal mentioned below which will automatically be considered as part of the Contract concluded with the successful Bidder (i.e Seller in the Contract) as selected by the Buyer. Failure to do so may result in rejection of the Bid submitted by the Bidder.

62. **Liquidated damages (LD).** If the Supplier fails to deliver the stores/ service or any installment thereof within the DP or at any time repudiates the contract before expiry of such period, the CFA, without prejudice to the right of the purchaser to any other remedy for breach of contract, may recover from the contractor a sum equivalent to **0.5%** of the prices of any stores which the contractor has failed to deliver within the period agreed for delivery in the contract, **for each week or part thereof** during which the delivery of such stores any be in arrears, where delivery thereof is accepted after expiry of the aforesaid period. **The total damages shall not exceed value of 10% of undelivered goods.** The LD cannot exceed the amount stipulated in the contract. This payment will be made through demand draft or MRO / e-MRO in favour of **CDA, Northern Command Jammu.**

63. **Termination of Contract.** The Buyer shall have the right to terminate this Contract in part or in full in any of the following cases: -

63.1. The delivery of the material is delayed for causes not attributable to Force Majeure for more than **45 days** or after the scheduled date of delivery.

63.2. The Seller is declared bankrupt or becomes insolvent.

63.3. The delivery of material is delayed due to causes of Force Majeure by more than **60 days** provided Force Majeure clause is included in contract.

63.4. The Buyer has noticed that the Seller has utilized the services of any Indian / Foreign agent in getting this contract and paid any commission to such individual/company etc.

63.5. If the Supplier, in the judgement of the Buyer, has engaged in corrupt or fraudulent practices in completion of the contract.

63.6. As per decision of the Arbitration Tribunal.

63.7. The seller fails to give the quality work during execution and following instruction given by Accepting Officer time to time.

63.8. Non-compliance of any part of Integrity certificate will lead to termination of SO.

64. **Payment Terms.** The payment will be made as per the following terms, on production of the

requisite documents: -

64.1. 100% payment on delivery and acceptance by the Buyer.

64.2. Payment shall be made after inspection, testing and submission of all test certificate PVs of materials and acceptance of stores has been completed.

64.3. Bills will be subject to audit by associated finances.

64.4. Firms will not be issued form 'D'.

64.5. ***"PAYMENTS WILL BE MADE ONLY THROUGH ELECTRONIC FUND TRANSFER (RTGS/NEFT) OR THROUGH CHEQUE. PLEASE ENSURE BANK ACCOUNTS IN AUTHORISED BANK TO AVOID ANY INCONVENIENCE".***

64.6. **Deduction of GST.** GST will be paid by the successful vendor at the end as per Govt of India orders in vogue.

65. **Consignee Details.**

65.1. The store will be consigned to CO, 15 Engineer Regiment, c/o 56 APO.

65.2. Store will be consigned on freight pre-paid / pay basis.

65.3. Delivery will be at Engineer Det in forward location as given in the FOR locations at Para 5 of Part I of this RFP.

65.4. The rate quoted is accepted for delivery of stores inside the premises of the consignee i.e. unloading at the consignee end will be arranged by the Supplier.

66. **Litigation and Arbitration.** No litigation or arbitration under any circumstances at any stage shall be applicable. The decision of the Commanding Officer, 15 Engineer Regiment shall be final and binding on all matters.

67. **Cancellation.** In case the supply of items is not completed within stipulated period, or if defective delivery is made in respect of stores and the defective delivery is not replaced/ rectified within 20 days from the date of intimation of such defects, the supply order may be cancelled at the sole discretion of Accepting Officer i.e, CO, 15 Engineer Regiment either wholly or to the extent of such defaults. If the defect exceeds Bank Guarantee amount and not rectified after one week from the date of encashment of Bank Guarantee, no stores would be accepted and Supply Order shall be cancelled.

68. **No insurance charge will be paid by the department. Commanding Officer accepts no responsibility and no liability for the stores in transit or for the rejected stores lying inside consignee premises for whatsoever reason.**

69. The Commanding Officer reserves the right to inspect the stores to a second inspection by any authority nominated by him or to inspect the stores himself, and may reject them if not found conforming to the laid down specifications, within in a period of six months from the date of acceptance by the normal inspecting authority mentioned above, even if the stores have been accepted, passed and paid for. The supplier shall replace such stores with the stores of correct specifications within a period of one month on receipt of due notice in writing by the Commanding Officer at his (Supplier) cost. **Accepting Offr will share the list of rejected items to all units in AOR of 14 Corps.**

70. **Documents.** The following documents shall be prepared and submitted by the supplier to the paying authority along with the bill for making payment: -

70.1. Ink signed copy of invoice.

70.2. Guarantee/Warranty certificate (if applicable).

70.3. Purchase Voucher of all materials.

70.4. Test Certificate (if applicable).

70.5. Original copy of Performance Bank Guarantee.

70.6. Prescribed pre-stamped bills in triplicate.

70.7. Docus as mentioned at Para 8(h) of this RFP/ Supply Orders of last three years to 14 Corps Zone/ Northern Command.

70.8. **Turnover Certificate.** Minimum 80% average annual turnover of the contract value for the past three years.

70.9. **Solvency Certificate.** The bidder has to produce solvency certificate along the bid. The solvency amount should be more than 50% of the contract value. In case of solvency certificate for a particular amount has been given any particular unit for a job, addl solvency from the bank will be produced by the vendor for bidding for any other job. A certificate to this effect as given in Appx 'D' will be rendered.

70.10. **Quality of Material.** Vendor should read all the makes/ specifications carefully in case of any sub std materials or fake item is recd, all the SOs in the HQ 14 Corps Zone will be cancelled and the vendor will be black listed for two years. Accepting officer will share the list to all units of HQ 14 Corps.

71. **Weather & Environment Conditions.** Keeping in view the extreme weather & environment condition, goods being supplied should be functional at extreme weather, altitude and environment conditions as per deployment area. Vendor will be responsible to ensure the functionality of goods in the deployment area.

72. **Safety Factors.** A list of safety factors to be incorporated to ensure functionality of asset during extreme low temperature and environment conditions will be provided by the OEM.

73. **Bidder will be banned for a period of two years from further participation in RFP/ TE in the AoR in the case of Bidder emerging as L1 Bidder and then, withdrawing/ retracting from delivery of stores and execution of the wk after placing of SO.**

74. Work being unduly delayed or not competed by vendor, the bidder will be banned from tendering in Army Contracts for the period of twenty-four months/ till the completion of work, on the discretion of the Accepting Officer needs to be added.

BASIC INFO FORM

(To be submitted on bidder / dealer letterhead duly signed & stamped)

1. Bidder / Vendor Details

- 1.1. Name of Firm:
- 1.2. Complete Registered Address:
- 1.3. Office Address (if different):
- 1.4. GSTIN:
- 1.5. PAN:
- 1.6. UDYAM Registration No.:
- 1.7. Contact Person (Name & Designation):
- 1.8. Mobile No.:
- 1.9. Alternate Mobile No.:
- 1.10. Landline No.:
- 1.11. Email ID (Official domain preferred):

2. OEM / Manufacturing Details

- 2.1. Name of OEM / Manufacturer:
- 2.2. OEM Registered Address:
- 2.3. OEM Customer Care / Contact No.:
- 2.4. OEM Email ID:
- 2.5. OEM Website:

3. Manufacturing Plant Details (for credibility verification)

The products offered are manufactured at the following plant(s):

Plant-1

- 3.1. Plant Address (complete):
- 3.2. State / District / PIN:
- 3.3. Contact Person at Plant:
- 3.4. Mobile No.:
- 3.5. Email:
- 3.6. Nature of Facility: Owned / Leased / Contract Manufacturing (tick)
- 3.7. Annual Production Capacity (approx.): _____

Plant-2 (if applicable)

(same format)

4. Authorization / Dealership Details

- 4.1. Dealer/Distributor is authorized for supply of above products: YES / NO
- 4.2. Authorization Certificate No. & Date:
- 4.3. Validity of authorisation: From _____ to _____
- 4.4. Territory / Region:

5. Product Traceability / Verification

- 5.1. Product Make / Model Offered: _____
 - 5.2. Country of Origin: _____
 - 5.3. Serial No./Batch No. marking provision available: YES / NO
 - 5.4. Warranty / Guarantee Period: _____
 - 5.5. After Sales Service mechanism available in India: YES / NO
- (Details: address of service centre / helpline: _____)

6. **Declaration**

We hereby certify that the above details are **true and correct**.

We understand that the purchaser may verify the above information by contacting the manufacturer/OEM/plant and any **false declaration may lead to rejection of bid, termination of contract, banning/blacklisting and legal action** as per applicable rules.

CERTIFICATE FOR USE OF YST-310 GRADE STEEL

(To be executed on the Contractor's Letterhead)

Date :

GeM ID :

To :

It is to confirm that we comply Para 26 of RFP which states that steel will be of **YST - 310 grade**. RHS members will conform to **IS 4923-2017(R-2023)** and for other steel members conform to **IS-2062-2011(R-2021)**. No rerolled steel will be used. Subject to conforming to given IS specifications. Test Certificate of steel from the manufacturer is attached with this bid for qualifying in technical bid. We certify that steel will be procured from the same manufacturer from whom the test certificate has been obtained. In case of non compliance suitable action as per RFP clause may be exercised by the Buyer.

Authorized Signatory Name :_____

CAT OF ASSETS			
S/No	Similar Job Categories	Experience to be considered in following items/ Job description	Remarks/ Justification
Cat-I : HABITAT			
1	JCO Living Shelter	PUF / PIR panel, PPGI Sheet, Glazing cladding, MS structure, Tiling/ plywood, CGI Sheet, Plywood, MS sheet.	Involves similar structural methodology primarily FEMS based structures as well as ancillaries.
2	Offr Living Shelter		
3	OR Living Shelter (40 / 20 Men)		
4	Office Shelter		
5	Living Shelter (FEMS / 16 / 12 / 4 Men)		
6	SMS Shelter		
7	Cook House Dining Hall (FEMS)		
8	Cook House (FEMS)		
9	Dining Hall (FEMS)		
10	Store Shelter (FEMS)		
11	Veh Shed		
12	Genr Shed		
13	Amn Shelter		
14	Combined Toilet Bathroom (8/1)		
15	Bathing Cubicle (2/1)		
16	Fd Flush Latrine (2/1)		
17	Sentry Post		
18	Living Shelter (FGH/ 4-6 Men/ 8-10 Men)		
19	Toilet (FRP/ Single/Double/Multiple Cubicle)		
20	Living Shelter (Small/ Prefab)		
21	Guard Room/ Post		
22	Security Tower (D/S)		
23	Living Shelter (XPS)		
24	OR Living 16 Men FEMS Shelter (Modular with Passive Heating)		
25	OR Living Shelter (D/S)		
26	MT shed		
Cat-II : Solar Wind Hybrid			
1	Fd Electrification (Solar Plant 2 KW)	Use of Solar Panels & Wind Turbine along with Bty Bks.	Using Contemporary Solar Wind Hybrid Energy.
2	Fd Electrification (Solar Wind Hybrid 5 KW)		
3	Fd Electrification (Solar Wind Hybrid 10 KW)		
4	Fd Electrification (Solar Wind Hybrid 50 KW)		
5	Fd Electrification (Solar Wind Hybrid 150 KW)		
6	Fd Water Heating Device (Solar)		
7	Fd Security Light (Solar)		
Cat-III : Passive Heated Shelter			
1	SHILA Shelters (Solar Heat Insulated Ladakhi Shelter)	Shelters having passive solar heating construction. Having experience of constr of mud block, trombe wall, AAC block, Wooden joinery, Glazing etc.	Specialised kind of constr maximizing use of solar energy, trombe wall & mud block to insulate the shelter.
2	Other Shelters constr out of local mtrl and emp passive solar heating technology		
3	Living Shelter (Active / Passive Solar Heating)		

Cat-IV: Collapsible: Modular Shelter			
1	Living Shelter (16 Men/Reloc) Collapsible shelter	PUF/ PIR insulated panel, foldable, specialized structure, hydraulically legs/ operation	Specialized structure as foldable container type with zero tolerance in dimension
2	CRDS (Collapsible Rapid Deployable Shelter) 4 Men/ 8 Men		
3	Hydraulically Op Collapsible Shelter		
Cat-V : Water Sup			
1	Fd WSS (Bore well)	Bore well, water pumps, PVC/PPR/GI pipe line/ Genr sets	Specialized skill reqd for borewell and to maint water pressure to lay sup line with reqd pressure
2	Fd WSS (Pumps & Dugwell)		
Cat-VI : Arch Structures			
1	B Veh Shed	Arch type panel, MS structure steel, Stone setting, ILCB, etc.	Specialised structure having arch panels with pedestal and heavy steel structure with larger heights, reqd spl skill and machinery /factory facility to manufacture arch panels and other materials.
2	Boat Shed		
3	BTTS (Barrel Type Tech Shelter)		
4	Barrel Type Store Shelter		
5	Avn Hanger		
6	Spl Infra like Medium Repair Shed		
Cat-VII : RCC/ PCC Constr			
1	Helipad	Civ constr wk involving cement, concrete, RCC, PCC constr. Experience of civil work done of reqd as per work	Civ nature work having heavy duty floor/ pavements/ tr. UG permanent RCC framed constr with specialized skill, T&P and manpower.
2	Op track		
3	Dispersal area		
4	UG Infra (incl FSC, Tac HQ, Living etc)		
5	UG (Precast) Structures		
6	Fd Protective Work		
7	Communication Trench		
8	Retention wk		
9	Gun Module		
10	CDL		
11	Security Fence		
12	Hume Pipe Culvert		
13	Arty Bty Module		
14	AD Bunker		
15	Op Hide		
16	Fd Obst (A/Tk)		
CAT-VIII : Fd Def			
1	Fighting PD (RCC/Stone Masonary)	Stone masonry, SRT, ISMB & LAIP, HDPE bags, PBS roll, Hesco basket, Gabion wall, Barbed wire & Chain Link Fence etc	All are def structure reqd spl attention to SRT, ISMB, Stone masonry laying/ supply.
2	Amn Bunker (UG)		
3	MMG PD		
4	AGL PD		
CAT-IX: Spl Assets			
1	Ae Cableway	Spl wk requiring prior specific experience and OEM expertise	Indl assets requiring expertise in niche tech and OEM Certification
2	STP		
3	Crevasse XG Bridge		
4	ATV Br		
5	LGSF Structures		
6	Fd Electrification (Mgt Sys)		
7	Fd Electrification (Fuel Cell)		
8	Kero Sup Line		
9	Fd FOL Tk (20 KL & 5 KL)		
10	Retention Work Expedients
