The bidders will ensure factors of **Quantity, Quality and Timeline** in execution of the project and adhere to instruction mention in RFP in correct letter in spirit.

2. The address of seeking clarification regarding this RFP are given below:-

- 2.1 Quotation/Quires to be address to - Commanding Officer
121 Engineer Regiment
Pin – 914121
c/o 99 APO
- 2.2 Postal address for sending the Quotation- 121 Engineer Regiment
Pin – 914121
c/o 99 APO
- 2.3 Name/Designation of Contact Personnel - EPO,121 Engineer Regiment

3. Instructions/Conditions. Your online offer for Supply of **Small Store Shelter (Sys Room)** at following locations shall be submitted as follows:-

3.1 Distr of the job is as tabulated below:

S.No	Job No	Asset	Qty	Delivery Loc
3.1.1	2608	Small Store Shelter (Sys Room)	01	Mandala, Arunachal Pradesh

3.2 Bids should be uploaded/ submitted through GeM Portal. The uploaded bids will be opened as per the schedule of GeM activities.

3.3 Type of Job. **Supply of Stores.**

4. The RFP is divided into 3 Parts as under:-

- 4.1 Part I. Additional Terms & Conditions.
- 4.2 Part II. Technical Specifications and drawings with complete store list.
- 4.3 Part III. Organisation specific Terms & Conditions.

5. Bidders are requested to read the RFP carefully and adhere to the instructions.

6. The RFP is being issued with no financial commitment and the Buyer reserves the right to change or vary any part thereof at any stage. Buyer reserves the right to withdraw the RFP, should it become necessary at any stage.

PART-1 : ADDITIONAL TERMS AND ONDITIONS

1. The **Supply of Small Store Shelter (Sys Room)** is required in **Gen Area of Mandala, Arunachal Pradesh**. The bidders are advised to visit the site after obtaining prior coordination with Commanding Officer, 121 Engineer Regiment for assessment of site conditions, terrain, connectivity, logistics and user requirements prior submission of bids. The bidder shall be deemed to have fully acquainted himself with terrain, climatic conditions, transportation difficulties, logistics, labour conditions and all other factors affecting supply of stores before quoting rates. No claim whatsoever on this account shall be entertained subsequently.

2. **Submission of Documents for Technical bid.** Interested bidders shall submit Technical Bid alongwith requisite documents on GeM Portal within stipulated timelines. Non-submission/invalid submission of mandatory documents may render the bid technically non-responsive. Department reserves right to seek clarification/additional documents regarding submitted credentials/documents during technical evaluation. Submission of clarification/additional documents shall not amount to modification of bid. Scanned copy of the following documents will be uploaded online on GeM Portal for **Technical Bid**:-

2.1. **Non-disclosure Certificate.** Certificate for Non-disclosure of Contract Documents. All documents / drawing / specification shall remain confidential and to be disseminated restrictively for the sole purpose of supply/executing order. In this regard, a certificate shall be submitted as per **Appendix 'A'** attached.

2.2. **Tender Conditions Acceptance Certificate.** The bidder shall submit Tender Conditions Acceptance Certificate as per **Appendix 'B'** confirming acceptance of all terms and conditions of the RFP. The certificate duly signed and stamped shall be uploaded on GeM Portal. In case of material deviation from tender conditions, the bid may be treated as technically non-responsive. In case the certificate is signed by legally authorized signatory, copy of valid authorization letter/Power of Attorney shall also be uploaded.

2.3. **Bid Security Declaration.** The bidder shall submit Bid Security Declaration as per **Appendix 'C'** regarding non-withdrawal or modification of bid during validity period. The certificate duly signed and stamped shall be uploaded on GeM Portal. In case the certificate is signed by legally authorized signatory, copy of valid authorization letter/Power of Attorney shall also be uploaded. Non-submission of Bid Security Declaration may render the bid technically non-responsive. In case bidder withdraws or modifies bid during validity period, action may be initiated as per prevailing Government procurement rules/policies.

2.4. **Affidavit for Submission of Original/Genuine/untampered Documents.** The bidder shall submit an affidavit as per **Appendix 'D'** on non-judicial stamp paper duly notarized confirming that all documents/certificates submitted with the bid are genuine, original, valid and untampered. Submission of fake/forged/tampered/unverifiable documents or alteration in tender conditions/specifications may lead to rejection of bid and further action as deemed appropriate under prevailing Government rules/policies. Department reserves right to independently verify submitted documents from issuing authorities. Non-submission of affidavit may render the bid technically non-responsive.

2.5. **Contract Assurance Certificate.** The bidder shall submit Contract Assurance Certificate as per **Appendix 'E'** confirming capability and commitment for Supply of **Small Store Shelter (Sys Room)** as per technical specifications and within stipulated contractual timelines/milestones.

2.6. **Affidavit for not being Blacklisted / Banned.** Affidavit for not being Blacklisted / Debarred. The bidder shall submit an affidavit as per **Appendix 'F'** on non-judicial stamp paper duly notarized confirming that the firm has not been blacklisted/debarred by any Central Government/State Government Department or PSU as on date of submission of bid.

2.7 **Site Visit Certificate.** The bidder shall upload Site Visit Certificate as per **Appendix 'G'** duly signed by User Unit representative and representative of 121 Engineer Regiment alongwith geo-tagged photographs of the site for assessment of connectivity, terrain, logistics and user requirements at construction site. Geo-tagged photographs shall contain representative of User Unit and authorized representative of bidding firm. The bidders are advised to obtain prior coordination with Accepting Officer/121 Engineer Regiment for conduct of site visit.

2.8 Vendor should accommodate the suggested changes as per functional requirement of user during the course of project. Vendor need to furnish undertaking certificate to this effect as per **Appendix 'H'** confirming to this clause.

2.9. **Earnest Money Deposit (EMD).** The supplier will deposit **3% EMD** of tender amount along with the tender documents in form of DD/FDR/TDR(Upload a copy) issued from any nationalized bank in favour of Commanding Officer, 121 Engineer Regiment or in case of exemption, valid exemption certificate/document under prevailing Government/GeM procurement policies shall be uploaded alongwith the bid. Non-submission of EMD/Bid Security or valid exemption documents may render the bid technically non-responsive.

2.10. Bidder must upload ATC including any corrigendum (if issued) **duly stamped and signed** on each page by the proprietor / legally authorized signatory of the firm concerned. Where documents are signed by authorized signatory, valid authorization letter/Power of Attorney shall also be uploaded.

2.11 **Annual Turnover Certificate.** The average annual turnover of the bidder during the last three financial years ending on 31 March of previous financial year should preferably not be less than 50% of estimated tender value. Documentary evidence in form of audited balance sheets or certificate from Chartered Accountant/Cost Accountant indicating turnover details for relevant period shall be uploaded with the bid. In case bidder is incorporated/constituted for less than three financial years, average turnover for completed financial years after date of incorporation/constitution shall be considered.

2.12. **Income Tax Return.** Bidder must upload ITR of last three financial years i.e. 2022-23, 2023-24 & 2024-25.

2.13. **Audited Balance Sheet.** Bidder shall upload audited balance sheets for last three financial years i.e. 2023-24, 2024-25 & 2025-26.

2.13.1. **UDIN Requirement.** All certificates/documents issued or certified by Chartered Accountant/Cost Accountant submitted with the bid shall bear valid UDIN (Unique Document Identification Number), wherever applicable, in accordance with ICAI guidelines.

2.14. **Proof of Experience.** Bidder shall upload copies of relevant Supply Orders/Work Orders, Completion Certificates/CRAC and Performance Certificates for execution of same or similar category/nature of work i.e. LGSF based structures executed during last three financial years. Experience in execution of works in remote/difficult terrain of NE Region (especially Assam & Arunachal Pradesh) shall be preferred. Non-submission of relevant experience documents may render the bid technically non-responsive.

2.14.1. **Documents for Experience.** Bidder should have executed same or similar category/nature of work i.e. LGSF based structures during last three financial years and shall upload copies of relevant Supply Orders/Work Orders alongwith Technical Bid. Bidder should have successfully executed & Details of relevant contracts to be submitted are as follows: -

2.14.1.1. Single similar Supply/Work Order of value not less than 35% of estimated tender value;

OR

2.14.1.2. Two similar Supply/Work Orders each of value not less than 20% of estimated tender value.

2.14.1.3. Bidder shall upload relevant Completion Certificate/CRAC and photographs of completed assets as proof of execution of similar works.

The above works should have been executed during last three financial years.

2.15. **Past Performance.** Bidder should upload the Past performance certificate issued by respective buyer organization with SATISFACTORY or above remarks for the same/ similar work on supply and construction work not less than 50% of the tender value. The works should carried out only within Arunachal Pradesh and Assam in AOR of HQ Eastern Comd region.

2.16. **Work Load Declaration.** Bidder shall furnish list of ongoing works in hand alongwith value of each work as on date of submission of bid on firm letterhead alongwith copies of relevant Supply Orders/Work Orders. Department reserves right to assess execution capability of bidder considering ongoing commitments, available resources and workload capacity. Non-submission of Work Load Declaration may render the bid technically non-responsive.

2.17. **GeM Incident History.** Bidder shall upload details of incidents raised against the seller on GeM during last 24 months from date of publishing of bid, if any. GeM incident history may be considered during capability/performance assessment of bidder during Technical Evaluation.

2.18. **Price Justification / Abnormally Low Bid.** In case quoted rates are found abnormally low in comparison to estimated cost/Technical Sanction, Buyer reserves right to seek detailed price justification from bidder during Financial Evaluation. In case submitted justification is not found acceptable, the bid may be rejected during Financial Evaluation in accordance with prevailing procurement rules/policies. Buyer also reserves right to seek additional Performance Security/Bank Guarantee, wherever considered necessary, in accordance with prevailing Government procurement policies.

2.19 **GSTIN Registration.** The bidder must upload a duly self-attested scanned copy of valid GST Registration of Firm/ Company.

2.20. The bidder must submit a valid latest **Solvency Certificate** issued by a National Bank (within last 6 Months) covering 50% of the tender value.

2.21. **Working capital** value from concerned bank of the bidder.

2.22. **Affidavit** regarding firm is not involved in any **litigation/ arbitration** to be upload by the participant bidder.

2.23. Photocopy of **PAN Card** of the firm and owner duly self-attested.

2.24 The bidder/OEM should possess valid ISO certifications relevant to the scope of work for manufacturing/design/execution of shelters, preferably issued by Certification Body accredited by NABCB (National Accreditation Board for Certification Bodies) or accreditation bodies member of IAF.

2.24.1 **ISO** Quality Management System certificate (ISO 9001:2015)

2.24.2 **ISO** Environmental Management System Certificate (ISO 14001: 2015).

2.24.3 **ISO** Occupational health and safety management system certificate (ISO: 45001: 2018).

2.25. **OEM /OEM Authoirization** The bidder should preferably be an OEM or OEM authorised dealer. Bidder must upload a valid OEM certificate along with the Tech Bid documents. In case of Non OEM bidder, the bidder must furnish a copy a legal MOU with the OEM as proof of OEM Authorization.

2.26. Banker's details alongwith **NEFT Form** duly authenticated by bank manager alongwith a copy of **cancelled cheque** to be uploaded.

2.27. **Make In India certificate** as per criteria fixed by the buyer.

2.31. **Termination/ Cancellation of Supply Order.** In the event of slow progress/ work not started against the Supply Order offered to you for those items shall be terminated/cancelled instantly with respect to following work progress:-

2.31.1. Supply not started within 15 days after issuing work order.

2.31.2. Overall 50% of stores not delivered within 30 days after issuing work order.

NOTE:- In the event of breach of contract on any account or no supply & construction of materials or delay in supply & construction of work, Commanding Officer, 121 Engineer Regiment shall have the **right to cancel the supply order** and purchase the stores at your **RISK AND COST**. Additional expenditure incurred shall be recovered from your firm. Undertaking certificate in this regard **on firm letterhead** should submit during technical bid. In this regard, a certificate as per **Appendix 'J'** attached shall be submitted.

3. **Commercial Bid.** The price will be quoted strictly for all **Scope of Supply** as per Specification document (including indicative drawings) attached in the bid (The same is attached to this document as well). The rate shall also be deemed to include all charges like GST, labour charges Excise, design vetting, soil testing, Sales, transportation cost (including loading/ unloading charges), taxes, VAT, freight, insurance during transportation, etc for supply of stores, civil and electrical items. This office will not accept any additional liabilities on this account.
4. **Delivery Period (Completion Period).** Delivery (Completion) period for **Supply of stores** as per scope of technical specifications attached herewith would be **60 days** from the effective date of placing SO on GeM Portal. Extension of contracted delivery period will be at the sole discretion of Buyer, with applicability of LD clause, in accordance with provisions of DPM-2025 and its addendums.
6. **User Manual.** L1 bidder is responsible for furnishing a detailed **User manual** of **Small Store Shelter (Sys Room)** with detailed structural & architectural design, nomenclature of components, Layout drawings of electrical, plumbing, fire extinguisher, lightening conductor, earthing, and fire alarm system. User manual to be printed and furnished in hard & soft copy along.
7. **Defect liability /Warranty.** A certificate regarding defect liability of stores is required to be submitted by the vendor on completion of supply of the job. The minimum defect liability period for this job is 2 years.
8. **Litigation/ Arbitration.** The timely completion of all supply of stores as per scope of the supply order by the vendor is of paramount importance for operational reasons and time constraints. Hence, no time extension of any kind shall be granted, except under Force Majeure Conditions. No litigation or arbitration under any circumstances at any stage shall be applicable. The decision of Chief Engineer, Headquarters 4 Corps Engineers Branch shall be final and binding in all matters. **Vendors not willing for this pre-condition are advised not to participate in the tendering process.**
9. **Probable Date of Completion (PDC).** The supply of complete stores under this contract shall be completed by 60 days from the date of contract.
10. **Performance Bank Guarantee (BG).** Performance Bank Guarantee upto **5 %** of the total cost of supply order shall be deposited by the vendor in the form of Bank guarantee, from a scheduled bank, in favour of **Commanding Officer, 121 Engineer Regiment** within **15 days of the issue of the supply order**. The Bank guarantee shall be released to the vendor after two year of completion of Job.

NON DISCLOSURE CERTIFICATE

PART-II

TECHNICAL SPECIFICATIONS FOR SMALL STORE SHELTER (SYS ROOM) (5.22M X 6.1M X 4.75M HEIGHT) WITH 1.5M VERANDAH), DRAWINGS AND STORE LIST

1. **Storage Shelter (5.22m x 6.1m x 4.75m Height) with 1.5m Verandah.** Pre-fabricated Rectangular Hollow Sections (RHS) of size 5.22m x 6.1m x 4.75m Height with 1.5m verandah on one side conforming to IS- 4923 of 1997 grade Yst 240. The structure shall have dimensions as per the drawings No CE,4 Corps/NON PUF/ SSS (5.22M)/2017-18 having three sheets from sheet No 1/3 to 3/3 attached. The wall and roof shall be made of 0.80mm PPGI trapezoidal sheet fixed using STSD screws on to the steel framework.

2. **Design Criteria.** The structure shall conform to IS 2062 and fabricated on the basis of parameter as given under.

2.1	Seismic	-	As applicable for seismic Zone V
2.2	Snow load	-	1.5 m standing on roof
2.3	Live loads	-	120-150 Kg/Sqm
2.4	Wind speed	-	55 m/s (As per IS-875)
2.5	Temperature	-	(-) 40 ° to (+) 50 °
2.6	Length	-	5.22 m
2.7	Width	-	6.1m
2.8	Height(Ridge)	-	4.75 m

2.9 The shelter shall be made of pre-fabricated steel structure conforming to IS 4923 of 1992 and IS 2062 of 1984.

2.10 Roof covering shall be provided with PPGI sheets of 0.80 mm. The roof truss shall be designed for 1 m standing snow load and roof slope shall be 1:2.

3. The structure shall consist of steel RHS conforming to IS 4923 of 1997 grade Yst 240 & as per drawings attached drawing attached. Main shelter column of size 122mm x 61mm x 3.6 mm shall be provided at 2.61 m center-to-center distance. The column bottom end plate of size 170 mm x 220 mm x 6mm shall be fixed to concrete flooring using foundation bolts. The column shall also have top plate of size 150 mm x 200mm x 6mm for connection with truss plate. The verandah column are made using RHS of 80mm x 40mm x 3.2 mm. The trusses are made of using RHS section of 80 x 40mm x 3.2mm at top and bottom cord of truss and 50mm x 25mm x 2.9 mm thick internal members. Split trusses shall be joined using connection plate of 6mm thick with nuts & bolts. Purlin shall be made of RHS of size 96mm x 48mm x 3.2 mm and shall be fixed between trusses with suitable cleats and nuts & bolts. Horizontal Runners made of 80mm x 40mm x 3.2mm RHS shall be fixed to the column.

4. All steel items shall be procured from primary manufacturers e.g. SAIL / JSW / TATA STEEL / ESSAR conforming to relevant IS specification and all accessories shall be ISI marked.

5. **PPGI Sheet Specification.** Thickness of walls & roofing sheet shall be 0.80 mm with guard film. The PPGI sheet shall have minimum coating of 4-5 micron epoxy primer and 18-20 micron polyester topcoat. The top of PPGI shall have a Guard film of 30-40 micron on the finished surface only for protection against-scratches during handling and transportation. The backside of PPGI shall have 5-8 micron primer. The pre coated GI sheet should conform to IS-14246-1995 with manufacture test certificates conforming for the above specification. Base metal of PPGI shall be of CRCA as per IS-513 & Galvanizing of 120gsm as per IS-277 . Make Uni Fix / Jindal metec or equivalent brand with IS specification.:-

5.1 The inside and outside colour of wall sheet & roofing sheet will be approved by accepting officer / Engineer in charge. The L1 vendor should submit the sample colour to the Accepting Officer within 15 days of placing of the supply order for the final approval. Clarification if any will be referred to Accepting Officer, choice of Accepting Officer is deemed final.

5.2 The colour of flashing shall match the overall colour scheme.

6. **Finish.** All steel work shall be given two coat of anti corrosive red oxide zinc chromate primer and one coat of synthetic enamel Paint (Make Berger / Nerolac / Asian) by the manufacturer in the factory. Thereafter, one coat of synthetic enamel Paint shall be applied at site on prepainted surface (Paint of 20 ltr with thinner(qty as per appropriate mix) and two painting brush of size 4" to be supplied by the vendor).

7. **Openings**

7.1 **Steel Doors.** Two number door of size 1000mm x 2100mm with outside opening shall be provided. The door frame shall be made in RHS section of 80x40x3.2mm fitted to the horizontal runners with the help of cleats & nut bolts. The door shutter shall be made with L angle all round & 1.25mm thick MS sheet welded to the angle. The door shutter shall be fixed to the RHS frame with four numbers hinges. In addition, the door will have steel aldrop 300mm long, two numbers Tower bolts of 200 mm & two numbers steel D type handle of 150mm length.

7.2 **Steel Windows.** All windows shall be provisioned at sill height of 900mm. Three numbers on front and back side wall and two windows on gable wall of double shutter window of size 1000 x 1000 mm with outside opening shall be provided. The window frame shall be made in RHS section of 80x40x3.2mm fitted to the horizontal runners with the help of cleats & nut bolts. The window shutter shall be made with L angle all round & 3 mm thick acrylic transparent sheet fixed to the angle with 10mm square beading. The window shutter shall be fixed to the RHS frame with four numbers hinges. In addition, the window will have four numbers tower bolt of 100 mm, two numbers D type handles of 150 mm and two numbers peg stays. MS grill of 8 mm square bar shall be provided to all windows including fixing arrangements.

7.3 Sunshades. Suitable sunshades made out of PPGI Sheets & angle iron frame of 35x35x3 mm and flat iron 35x3 mm shall be provided to all external windows. The minimum projection for the sunshades will be 450 mm and 300 mm wider than the width of the opening.

8. Roofing. The roof shall be provided with 0.80mm PPGI sheets fixed on to the framework of trusses and purlines using STSD screws with suitable washers. PPGI sheets shall be over-lapped with each other along with necessary flashing at the corners. The sheets shall be laid with a minimum 150 mm of side lap with the last profile overlapping. The roof shall have a minimum projection of 450 mm from the eaves walls and 300 mm at the gable end. Self-tapping self-drilling (STSD) screws are fixed on each ridge of PPGI sheets in all purlins of the roof. 0.60mm thick pre-coated plain sheet matching with the roof sheet of size 3.0m long and 0.60m wide ridge shall be Provided . All overlaps between sheets shall also be tightened using STSD screws. All the STSD screws should be fully tightened.

8.1 The inside and outside colour of wall sheet & roofing sheet will be approved by accepting officer / Engineer in charge. The L1 vendor should submit the sample colour to the Accepting Officer within 15 days of placing of the supply order for the final approval. Clarification if any will be referred to Accepting Officer, choice of Accepting Officer is deemed final.

9. External Cladding. The walls of the shelter shall be provided with 0.60 mm thick PPGI sheets fixed on to the framework steel columns and runners using STSD screws with suitable washers. PPGI sheet shall be over-lapped with each other along with necessary flashing at the corners. All overlaps between sheets shall also be tightened using STSD screws. All the (STSD) screws should be fully tightened. The color of wall claddings shall be Camouflage Pattern shade No 0209 of Asian paints or equivalent in **Nerolac / Berger**.

9.1 The inside and outside colour of wall sheet & roofing sheet will be approved by accepting officer / Engineer in charge. The L1 vendor should submit the sample colour to the Accepting Officer within 15 days of placing of the supply order for the final approval. Clarification if any will be referred to Accepting Officer, choice of Accepting Officer is deemed final.

10. Glazing. Windows shall be fully glazed with transparent acrylic sheet 3 mm thick. Sufficient number of glazing clips shall be provided.

11. Foundation. The following material shall be provided by the firm:-

11.1 Bolts. Stanchion proposed shall have base plate, holding down high tensile strength bolts (0.60m long and 12 mm diameter) and nuts for embedding into concrete.

11.2 Base Plate. 6 mm thickness.

11.3 Template for casting of foundation bolts.

12. Welding. Proper welding joint shall be formed where specified as per the design. All welding works shall be continuous and butt-fillet type, as per IS: 823 – 1964 and IS: 816 – 1976.

13. **Nuts & Bolts.** Hexagonal bolts with nuts shall be fit tight with washers as per IS: 1363-1967. All nuts and bolts shall be of high tensile steel and galvanized using Zinc Black. 10% spare nuts, bolts and washers shall be provided per shelter. Fastening means shall be provided for the items to be fitted at the time of erection.

14. **Wind Tie:** Four numbers of Wind tie shall be provided on both side Slopes of roof longitudinally with FI 40x4mm including adequate fixing arrangements for protection of PPGI sheets. The colour of wind tie should match with that of roof.

15. **Materials** All materials required for manufacture of the shelter shall be new and shall comply with relevant bureau specifications and bear the mark.

16. **Minor Details.** Details not mentioned in the specifications but required as per sound and good engineering practice shall be provided by the supplier. Only superior specifications shall be accepted, after obtaining written clearance from the Chief Engineer HQ 4 corps.

17. 01 No RHS box 50 x25x2.9 mm 2.55mm welded with 4 mm thick MS Sheet of size 80mm x80mm with 4 Nos holes will be provided, for hanging of fans. 2 Nos of rubber washer of size 80mm and 4 Nos of nut and bolts 10 mm dia and 75 mm long will also be supplied with each runner with washer of suitable size.

18. **Rain Water Harvesting.** Eaves gutter shall be provided on front side with PPGI Sheet, duly painted matching the roof colour. Galvanized class 3 (three) thickness of sheet shall be 0.6mm and 200 x 200 x 200mm. It shall be fixed to truss with adequate fixing arrangements. Both ends of eaves gutter should be sealed with PPGI sheet and one end shall be provided 3.0 m length and 110mm dia PVC pipe with necessary fixing accessories and fittings for water collection tank placed by user.

19. **User Manual** .L1 Vendor shall submit hard and soft copy of the user manual to include the store list, photographs of parts for easy identification and drawings along with connected literature to the Accepting Officer within 15 days of placing the supply order and to the paying authorities at the time of delivery.

54	Insulating PVC block 75x75x30 mm with insulating clamp nut and bolt (Make:-Presto/Polycab/Finolex)	Nos	20
Furniture			
55	Study chair of size length 56 Cm, Height 82 Cm and Width 56 Cm, Type : Lacquered finish with arm, seat and back cushion, velvet upholstery (Make :- Supreme or equivalent)	Nos	1
56	Study Table of size 4' X 2', Wooden top on round tube structure with three drawers on one side.	Nos	1
57	Steel almirah of size 1855mm with 4 shelves. MS sheet doors and and locker 1.00mm thick, lock material brass and steel finished and thickness of shelves 0.90mm	Nos	1
58	Mild Steel rack adjustable ,sheet 1.00mm thick, nuts and bolts are in hexagon blk steel, overall height 1.755m depth 0.410m and width 0.915m	Nos	2
59	Hand Held Trolley of size 1200 x 900 x 1200 mm of 2 mm thick MS plateform and size of wheel 127 mm with loading capacity minimum 200 kg and overall weight of trolleys 19 Kg.	Nos	1

Ser No	Nomenclature of Items	A/U	Qty
Tool List			
60	Kassi with handle (Make:-SAIL/TATA/Jindal)	Nos	1
61	Black Steel SR Shovel Spade Belcha (Make:-SAIL/TATA/Jindal)	Nos	1
62	Plaster trowel with wooden handle ISI Markded (Make:-SAIL/TATA/Jindal)	Nos	1
63	Showel Square Nose 14 Gauge blade size 310 x 245 mm, shaft size 710 mm fitted with strong Steel crutched wooden handles. (Make:-SAIL/TATA/Jindal)	Nos	1
64	Plumb Bob Iron, best quality ISI Marked	Nos	1
65	Crow Bar 1.5" dia 4' long (Make:-SAIL/TATA/Jindal)	Nos	1
66	Hammer 1 Kg with Wooden Handle (Durmut) (Make:-Taparia/Venus/JK)	Nos	1
67	Hammer 0.5 Kg with Wooden Handle (Durmut) (Make:-Taparia/Venus/JK)	Nos	1
68	Brick Line 30 Mtr (Nylon Dhaga)	Nos	1
69	Traveler Brick Mason 4" 305mm (Make:Taparia/ Venus/Miranda)	Nos	1
70	Sprit Level (Make:- Venus/Bosch/Taparia)	Nos	1
71	Measuring tape 30Mtr Steel, (Make :- Freeman/Venus/JK)	Nos	1
72	Water bucket steel 13" dia Make TATA/ HIRA/ TAPARIA or equivalent.	Nos	1
73	Picks Axes with Chisel and Point Ends (Kudali 14 CP) nominal weight 3.0 Kg, overall length (minimum) 595mm with handle, Make : Taparia/Tata/Hira	Nos	1
74	Lime Brush Best quality	Nos	1
75	Painting Bursh 100 mm best quality ISI Marked	Nos	1
76	Hacksaw frame large with blade 05 Nos (Make : Taparia/Tata/Hira)	Nos	1
77	Galvannised iron Pan Mortar (Tasla), 18 Gauge, 20" dia minimum weight 2 Kg (Make : Tabaria/Tata)	Nos	3
78	Wooden Waterproof Plywood, Thickness 12mm	Sq m	3
79	Nails various sizes	Kg	1
80	Rammer Earth with Handle (Minimum Wight 5 Kg without handle) Make : Taparia/TATA (Agro)	Nos	1
81	Tester for Electrician with plastic handle 150mm make BOSCH/Taparia/Jhalan/HIRA/TATA	Nos	1
82	Electric Drill Machine heavy duty 500 watt electrical backup with battery and charger etc with one set pf drill bit of size (4mm, 6mm and 8mm wood and stone each) Make : BOSH/TAPARIA/HIRA	Nos	1
83	Drill bits HSS 5mm, 8mm & 10mm dia for electric drill machine (Make : Mrinida/Hilit/Black & Decker)	Set	1
84	Electric tile cutting machine with interchangeable biades (20 Nos) Make "Bosh/Taparia/Jhalan/Hira/TATA	Nos	1
85	Electrical Sheet cutter machine with blade (20 Nos) Make : BOSH/Tapaira	Nos	1
86	PUF Rivet Machine Make : BOSH/TAPARIA/HIRA	Nos	1
87	Centre punch 8mm dia best quality	Nos	1
88	Pluming Tool kit Make : Bosh/Tapaira (To be provide As per requirement of Plumber) (a) Pipe Wrich (b) Haksaw (c) Haksaw frame blade (d) Wice (e) Screw driver (f) Cutting Player (g) PPR PVC Pipe cutter (h) Universal pipe wrinch (j) PPR pipe welding machine	Nos	1
89	Water lavel pipe 30 mtr long Superior	Nos	1

PART- III

ORGANISATION SPECIFIC TERMS AND CONDITIONS

1. **Supply Location.** The **Supply of Small Store Shelter (Sys Room)** is required in **Gen Area of Mandala, Arunachal Pradesh**. Any vendor/ firm having queries regarding the same are advised to take prior appointment with the **Commanding Officer, 121 Engineer Regiment**. Correspondence regarding same may be carried out on **work-123@gov.in**.

2. **Submission of Documents.** Interested bidders shall submit the bids along with all requisite documents on GeM Portal as per fixed timelines. If any bidder fails to submit any of the documents as mentioned in this Paragraph, under suitable heads on GeM, his bid will be considered as REJECTED.

2.1. **Technical Bid.** Scanned copy of the following documents are mandatory and will be uploaded online:-

2.1.1 Bid document with Stamp and Sign of the firm.

2.1.2. Plan/ Technical drawings with stamp and signature of bidder.

2.1.3. Corrigendum (if issued) with stamp and signature of bidder.

2.1.4 Bid Conditions Acceptance Certificate.

2.1.5. Certificate of acceptance of terms and conditions of Bid on firm's letter head (Scanned and uploaded). The bidder shall certify for acceptance of all tender conditions of online Bid and furnish a certificate regarding the same. The certificate duly signed shall be scanned and uploaded. In case of any deviations, the bid shall be rejected. If the certificate is signed by legally authorized signatory, a copy of the authorization letter needs to be enclosed/ uploaded.

2.1.6. The Bid Security/ **Earnest Money Deposit (EMD) 3%** as applicable shall be submitted on GeM prior to bid submission closing date. If the EMD is not received as mentioned, then the bid will be **REJECTED**.

2.1.7. Scanned copy of GST registration certificate. If bidder does not submit the GST registration certificate, the bid will be rejected.

2.1.8. TIN Number / PAN Number/ Certificate.

2.1.9. ECS and mandate form and Blank Crossed cheque.

2.1.10. Certificate for acceptance of terms and conditions of tender enquiry.

2.1.11. Certificate for Non-disclosure of Contract Documents.

2.1.12. ISO Quality Management System certificate (ISO 9001:2015).

2.1.13. ISO Environmental Management System Certificate (ISO 14001: 2015).

2.1.14. ISO occupational health and safety management system certificate (ISO: 45001: 2018).

2.1.15. Last three years income tax return verification.

2.1.16. Audited balance sheet of Last 3 (three) years.

2.1.17. Details of clients to which vendor has executed similar project in last five years with copy of proof (Supply order / Contract agreement, CRAC certificate, Completion Certificate and performance certificate).

2.1.18. Schedule of Requirement (SOR)/ Technical specification including clause by clause compliance of specification mentioned in ATC for evaluation by TEC.

2.1.19. ATC duly stamped and signed in each page by the authorized person of the firm concerned.

2.1.20. Affidavit regarding firm is not bankruptcy, litigation/ arbitration to be upload by the participant bidder.

2.1.21. The bidder must submit a valid latest **Solvency Certificate** issued by a National Bank (within last 6 Months) covering 50% of the tender value.

2.1.22. Assurance certificate from the bidder to complete the project within stipulated time period fixed by the consignee.

2.1.23. MII certificate as per criteria fixed by the buyer.

2.1.24. Warranty certificate for the asset for 2 years from the date of completion.

2.1.25. List of work in hand under progress as on date of submission of bid in firm letter head alongwith copy of work order/ supply order must be uploaded by the bidder.

2.1.26. **Performance.** Firms who have executed supply & construction of similar nature of work will be preferred in the High Altitude Area as mentioned in the work location (Refer Para 1 of this ATC). Firms not submitting their performance statement of last 5 years would be treated as disqualified and be rejected.

2.1.27. Any editing / tampering to any certificates/ documents, Terms and Conditions, Technical Specifications or any part of the tender while submission of bids; will lead to rejection of bid. Such bidder/ vendor will become liable for penal actions as per directions of higher Headquarters.

2.2 **Commercial Bid.** The price will be quoted strictly for all Scope of Work as per Specification document (including indicative drawings) attached in the bid (The same is attached to this document as well). The rate so quoted shall be deemed to include the provisions for all materials, stores, labour, design costs, laboratory set up, tests to be conducted, process, operations and requirements detailed in particular specifications irrespective of whether these appear as specific items or not in the Scope of Work. The rate shall also be deemed to include all charges like GST, Excise, Sales, transportation cost (including loading/ unloading charges), taxes, VAT, freight, insurance during transportation, etc for supply of stores, civil and electrical items. This office will not accept any additional liabilities on this account.

3. Test certificates to be submitted by contractor of all items for which applicable.

4. **Litigation/ Arbitration.** The timely completion of all works as per scope of the supply order by the vendor is of paramount importance for operational reasons. Hence, no time extension of any kind shall be granted, except under Force Majeure Conditions. No litigation or arbitration under any circumstances at any stage shall be applicable. The decision of Chief Engineer, Headquarters 4 Corps Engineers Branch shall be final and binding in all matters. Vendors not willing for this pre-condition are advised not to participate in the tendering process.

5. **Probable Date of Completion (PDC).** The supply of complete stores under this contract shall be completed by 60 days from the date of contract.

6. **Additional Pre- Qualification Criteria.**

6.1. Also, vendor/ OEM must have required machinery to deliver the complete requirement within stipulated time.

6.2. Vendor/ OEM to have a minimum annual turnover for past three (3) financial years must be more than 50% on total tender value or above.

6.3. Vendor should accommodate the suggested changes as per functional requirement of user during the course of project. A certificate confirming to his clause shall be provided by the vendor during bidding.

7. **Consignee Details.**

Commanding Officer,
121 Engineer Regiment.
PIN - 914121 c/o 99APO

8. **Payment.** 100% payment of the cost of the supply order can be made immediately after complete stores delivered including deposition of BG (as per Para 15 of Part 1), all concerned certificate and received in fit for use condition by the consignee / his authorized representatives after having checked and certified quality and quantity. **Commanding Officer, 121 Engineer Regiment** reserves the right not to accept the suppliers after stipulated delivery period and cancel Supply order for balance quantity. Decision of **Commanding Officer, 121 Engineer Regiment** will be final and binding in this regard. Bill in triplicate original copy duly stamped & pre-receipted will be submitted to consignee's unit for audit verification & payment. Original copy of supply order and amendment if any will be attached with the bill. In case of dispute of any nature concerning supply & payment the decision of Commanding Officer, 121 Engineer Regiment will be final & binding. **Payment will be made on completion of supply of store & after they have been inspected & approved by the Board of Officers.**

9. **Penalty.** In the event of breach of agreement on any account or non-supply of material, Accepting Officer, i.e. **Commanding Officer, 121 Engineer Regiment** shall have the right to cancel supply order and purchase the stores at the risk and cost of original supplier. Additional expenditure incurred on this account shall be recovered from the firm. If the supplier fails to supply the stores as per schedule of supply, a penalty rate of ½% (Half Percent) of the value of default per week or part thereof will be imposed upto a max of 10% (Ten Percent). If the delivery of stores by stipulated date is expected to be delayed, due to any cause beyond the control of the supplier, he will immediately on the happening of the event causing delay give notice in writing to **Commanding Officer, 121 Engineer Regiment** who after due consideration of circumstances, may grant reasonable time / extension for delivery of stores. The decision of **Commanding Officer, 121 Engineer Regiment** in this regard will be final and binding on the supplier / firm.

10. **Documents.** The following documents shall be prepared and submitted by the contractor to the paying authority alongwith the bill of making payment:-

10.1. Ink signed copy of invoice.

10.2. Guarantee/Warranty certificate (if applicable).

10.3. Copy of Performance Bank Guarantee.

10.4. Prescribed pre-stamped bills in triplicate.

11. **Payment Terms for Indigenous Contractors.** It will be mandatory for the Bidder to indicate their bank account numbers and other relevant e-payment details so that payments could be made through ECS/NEFT mechanism instead of payment through cheques. A copy of the model mandate form prescribed by RBI to be submitted by Bidders for receiving payments through ECS is at Form DPM-11 (Available in MoD website and can be given on request).

12. **Security Deposit (BG).** Upto 10% of the total cost of contact / supply order shall be deposited by the vendor in the form of Bank guarantee, from a scheduled bank, for a period of 26 months in favour of Commanding Officer, 121 Engineer Regiment within 15 days of the issue of the supply order.

13. **Subletting, Transfer, Assigning the Supply to Other Agencies.** The firm shall not sublet, transfer; assign the supplies of the items given in Schedule or any part thereof to any other firm. Any violation on this count shall render the offer/ supply order to be cancelled and the security deposit Performance Bank Guarantee forfeited. The prices quoted and accepted will be final and under no condition any increase in price shall be accepted.

14. **Delivery.**

14.1. Stores shall be delivered at construction sites at **Gen Area of Mandala, Arunachal Pradesh** inclusive of packing forwarding and freight paid by road transport.

14.2. Supply shall be deemed complete when entire store delivery is physically inspected and duly received by consignee unit at the specified location.

14.3. Any items found not to conform to technical specification or defective due to any reason shall be rejected on receipt. Whatsoever, the same items shall be replaced by the vendor at site free of cost within a period of seven days of receipt of intimation from this office or unit concerned. On failure to do so, the Consignee will be at liberty to return the stores to the vendor at his risk and cost.

15. **Bank Details.** The details mentioned below will be filled by the firm before submission of quotations:-

15.1. Bank Name :

15.2. Branch Name :

15.3. Address :

15.4. Telephone No :

15.5. 9-Digit Code Number of the Bank & Branch appearing on the MICR cheque issued by the Bank.

15.6. Account type (S.B Account/Current account on cash credit) with IFSC & Branch code.

15.7. Ledger No/Ledger folio No.

15.8. Account number as appearing on the cheque book.

15.9 The following details in respect of tax will be filled by the firm :-

15.9.1. TIN with date of validity.

15.9.2. GST registration Number with date of validity.

16. **Risk & Cost.** In the event of failure on the part of vendor to supply the full quantity in the time stipulated or within any extended period granted by the accepting officer or in the event of failure to supply on any account, the accepting officer shall have the right to cancel the supply order and obtain the undelivered supplies from other sources at risk and cost of the vendor. The vendor is liable to pay the additional amount spent by the department in procuring of **Small Store Shelter (Sys Room)** though a fresh supply order i.e., the defaulting vendor has to bear the excess cost incurred as compared with the amount contracted with the vendor.

17. **Force Majeure.** Should any Force Majeure circumstances arise, each of the contracting party shall be excused for the non-fulfilment or for the delayed fulfilment of any of its contractual obligations, if the affected party within 15 days of its occurrence informs the other party in writing. Force Majeure shall mean fires, floods, natural disasters or other acts, that are unanticipated or unforeseeable, and not brought about at the instance of the party claiming to be affected by such event, or which, if anticipated or foreseeable, could not be avoided or provided for, and which has caused the non-performance or delay in performance, such as war, turmoil, strikes, sabotage, explosions, quarantine restriction beyond the control of either party. A party claiming Force

Majeure shall exercise reasonable diligence to seek to overcome the Force Majeure event and to mitigate the effects thereof on the performance of its obligations under this contract.

18. **Non-Disclosure of Supply Order Documents.** Except with the written Consent of the Buyer, Seller shall not disclose the supply order or any provision, specifications, plan, design, pattern, sample or information thereof to any third party.

19. **Litigation/ Arbitration.** The timely Completion of the work as per scope of Technical sanction and supply order by the vendor is of paramount importance for Operational reasons. Hence, no time extension of any kind shall be granted except under natural calamities and unexpected circumstances. In case of non-adherence of delivery period the supply order would be cancelled at the sole discretion of the Chief Engineer, Headquarters 4 Corps Engineers Branch. No litigation or arbitration under any circumstances at any stage shall be applicable. The decision of Chief Engineer, Headquarters 4 Corps Engineers Branch shall be final and binding in all matters. Vendors not willing for this pre-condition are advised not to participate in the tendering process.

20. **Rejection of Bids.** Canvassing by the bidder in any form, and unsolicited letter, conditional quotations will result in rejection of the bid outrightly.

21. **Tolerance Limit.** Consignee reserves the right to increase or decrease 50% of the quantity of the required stores up to that limit without any change in terms and conditions and rates quoted by the vendor to take care of any change in the requirement during the period starting from issue of quotation till placement of supply order. While placing the supply order, the quantity ordered can be increased or decreased by the accepting officer within this tolerance limit.

22. **Option Clause.** Consignee reserves the right to place an additional 50% of the original supply ordered quantity in accordance with the same rates, terms and conditions of the present supply order within the currency of supply order.

23. **Repeat Supply Order.** Consignee reserves the right to place repeat Supply Order within 06 (Six) months from the date of successful completion of present supply order up to 50% quantity of items under the present supply order, rates, terms and conditions remain the same.

24. **Miscellaneous.**

24.1. Due to dynamic and urgent nature of operational works, maximum quantity (as laid out in quotation) may be ordered on L1 vendor by the means of part supply orders, before exercising option/repeat supply order clauses.

24.2. Manuals of relevant items will be handed over to the user.

Note. Any improvements/changes due to technological development carried out as per IS or Acts and norms of the State to above items/ work will be deemed to be included without any extra cost and intimate schedule changes to all concerned.

25. **VAT, Excise and Sales Tax.** Firm will ensure that all taxes including excise, VAT, sales tax and any other kind of taxes as applicable are paid at firm's end. This department will bear no liability for any dispute on this account.

26. **Unwillingness to Quote.** Bidders unwilling to quote should ensure that written intimation to this effect should reach before the due date and time of opening of the Bid, failing which the defaulting Bidder may be delisted/debarred for current financial year.

27. **Fall Clause.** The following fall clause will form part of the contract placed on successful bidder:-

27.1.
